## Seniors Display Constructiveness

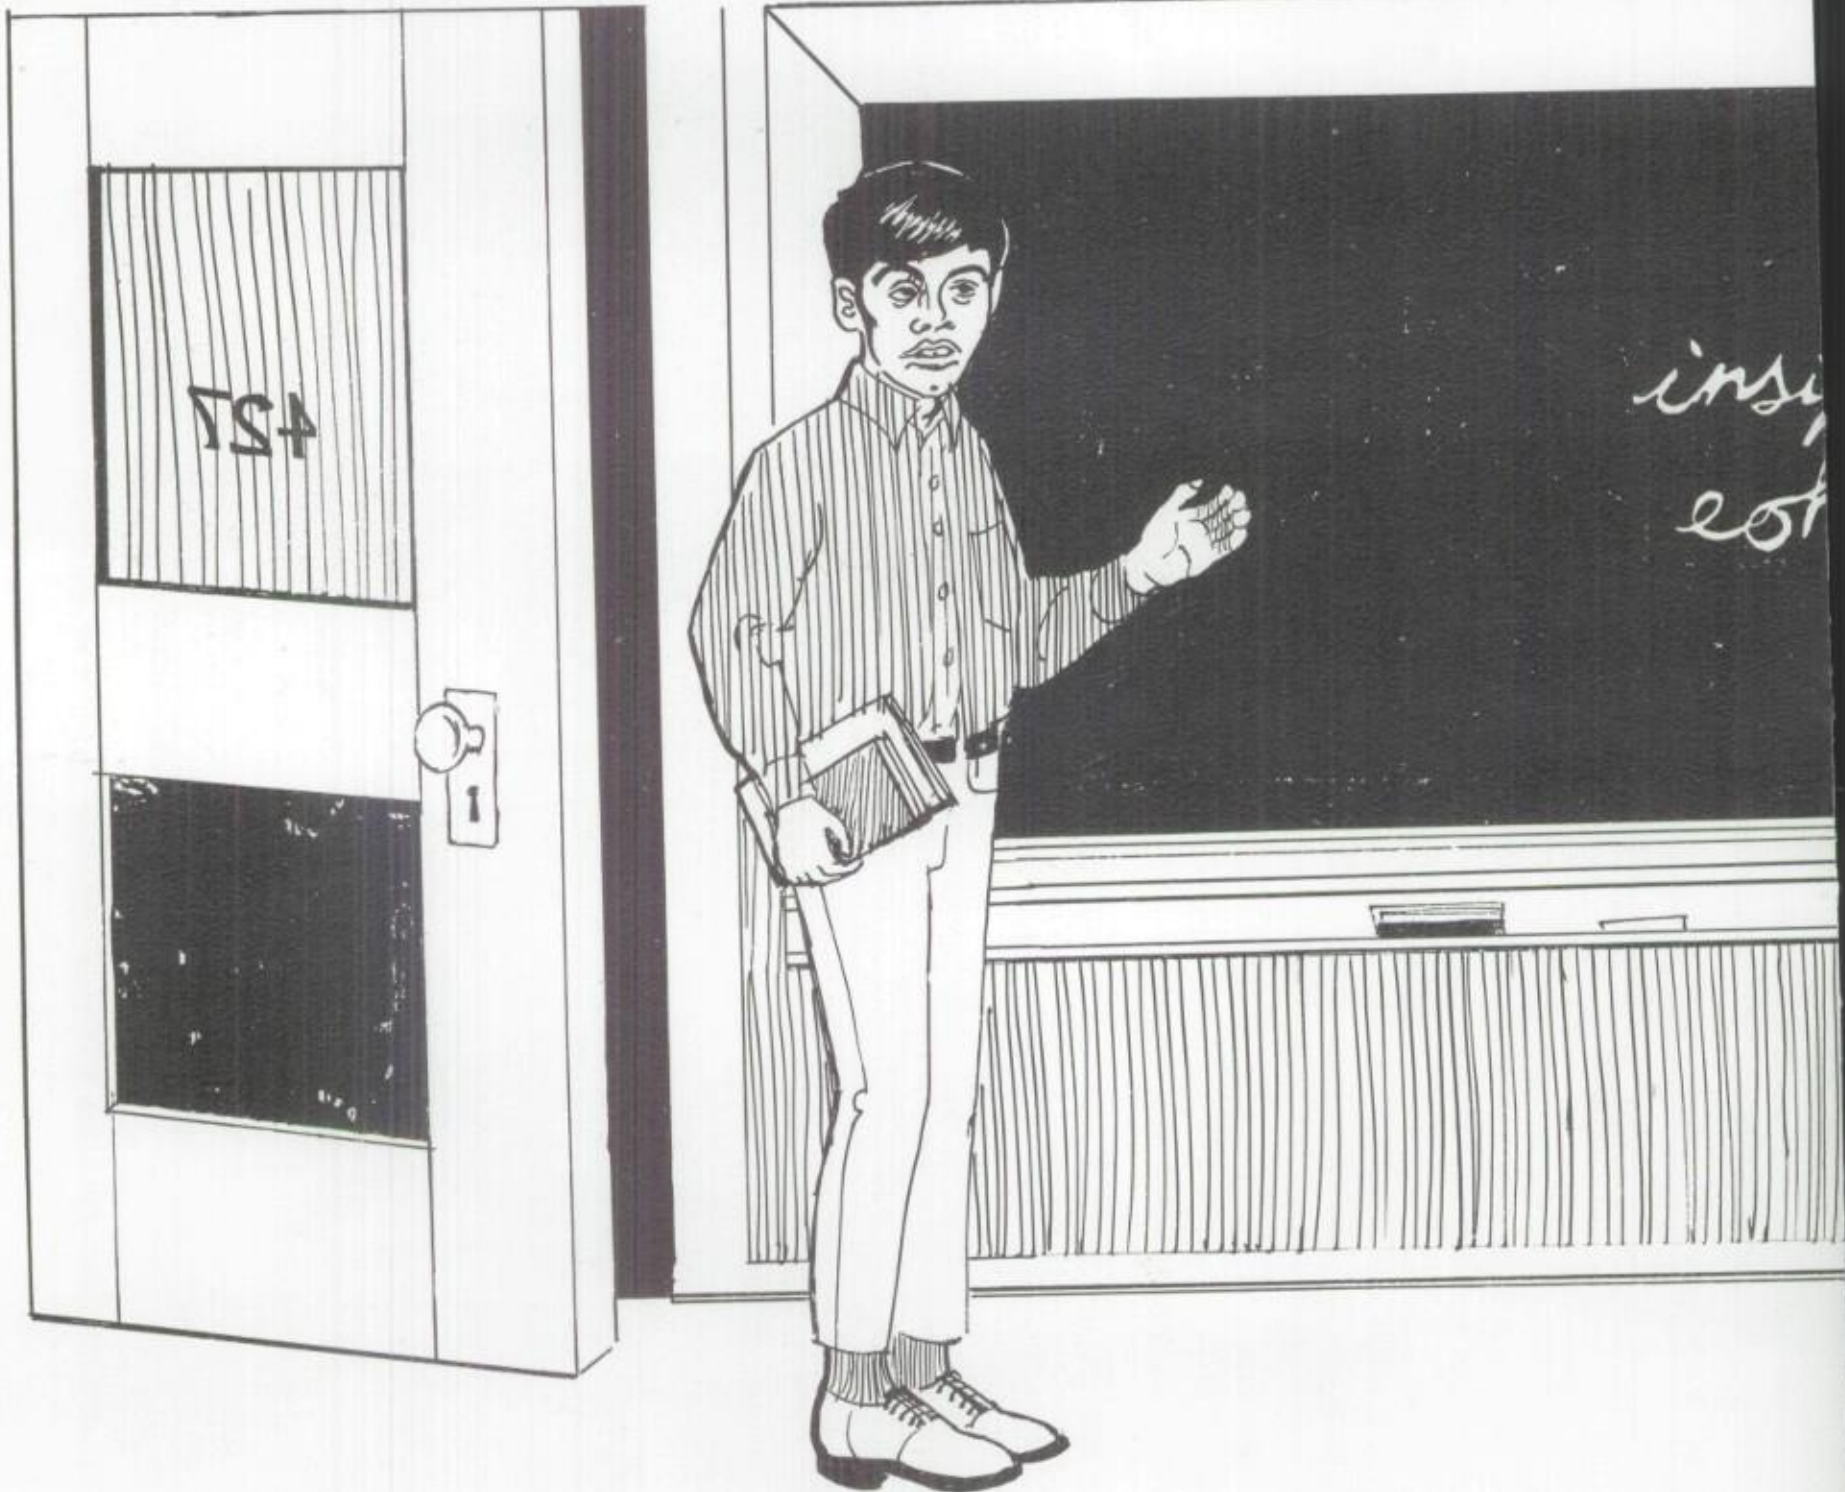

Seniors gain meager nourishment at day's halfway point.

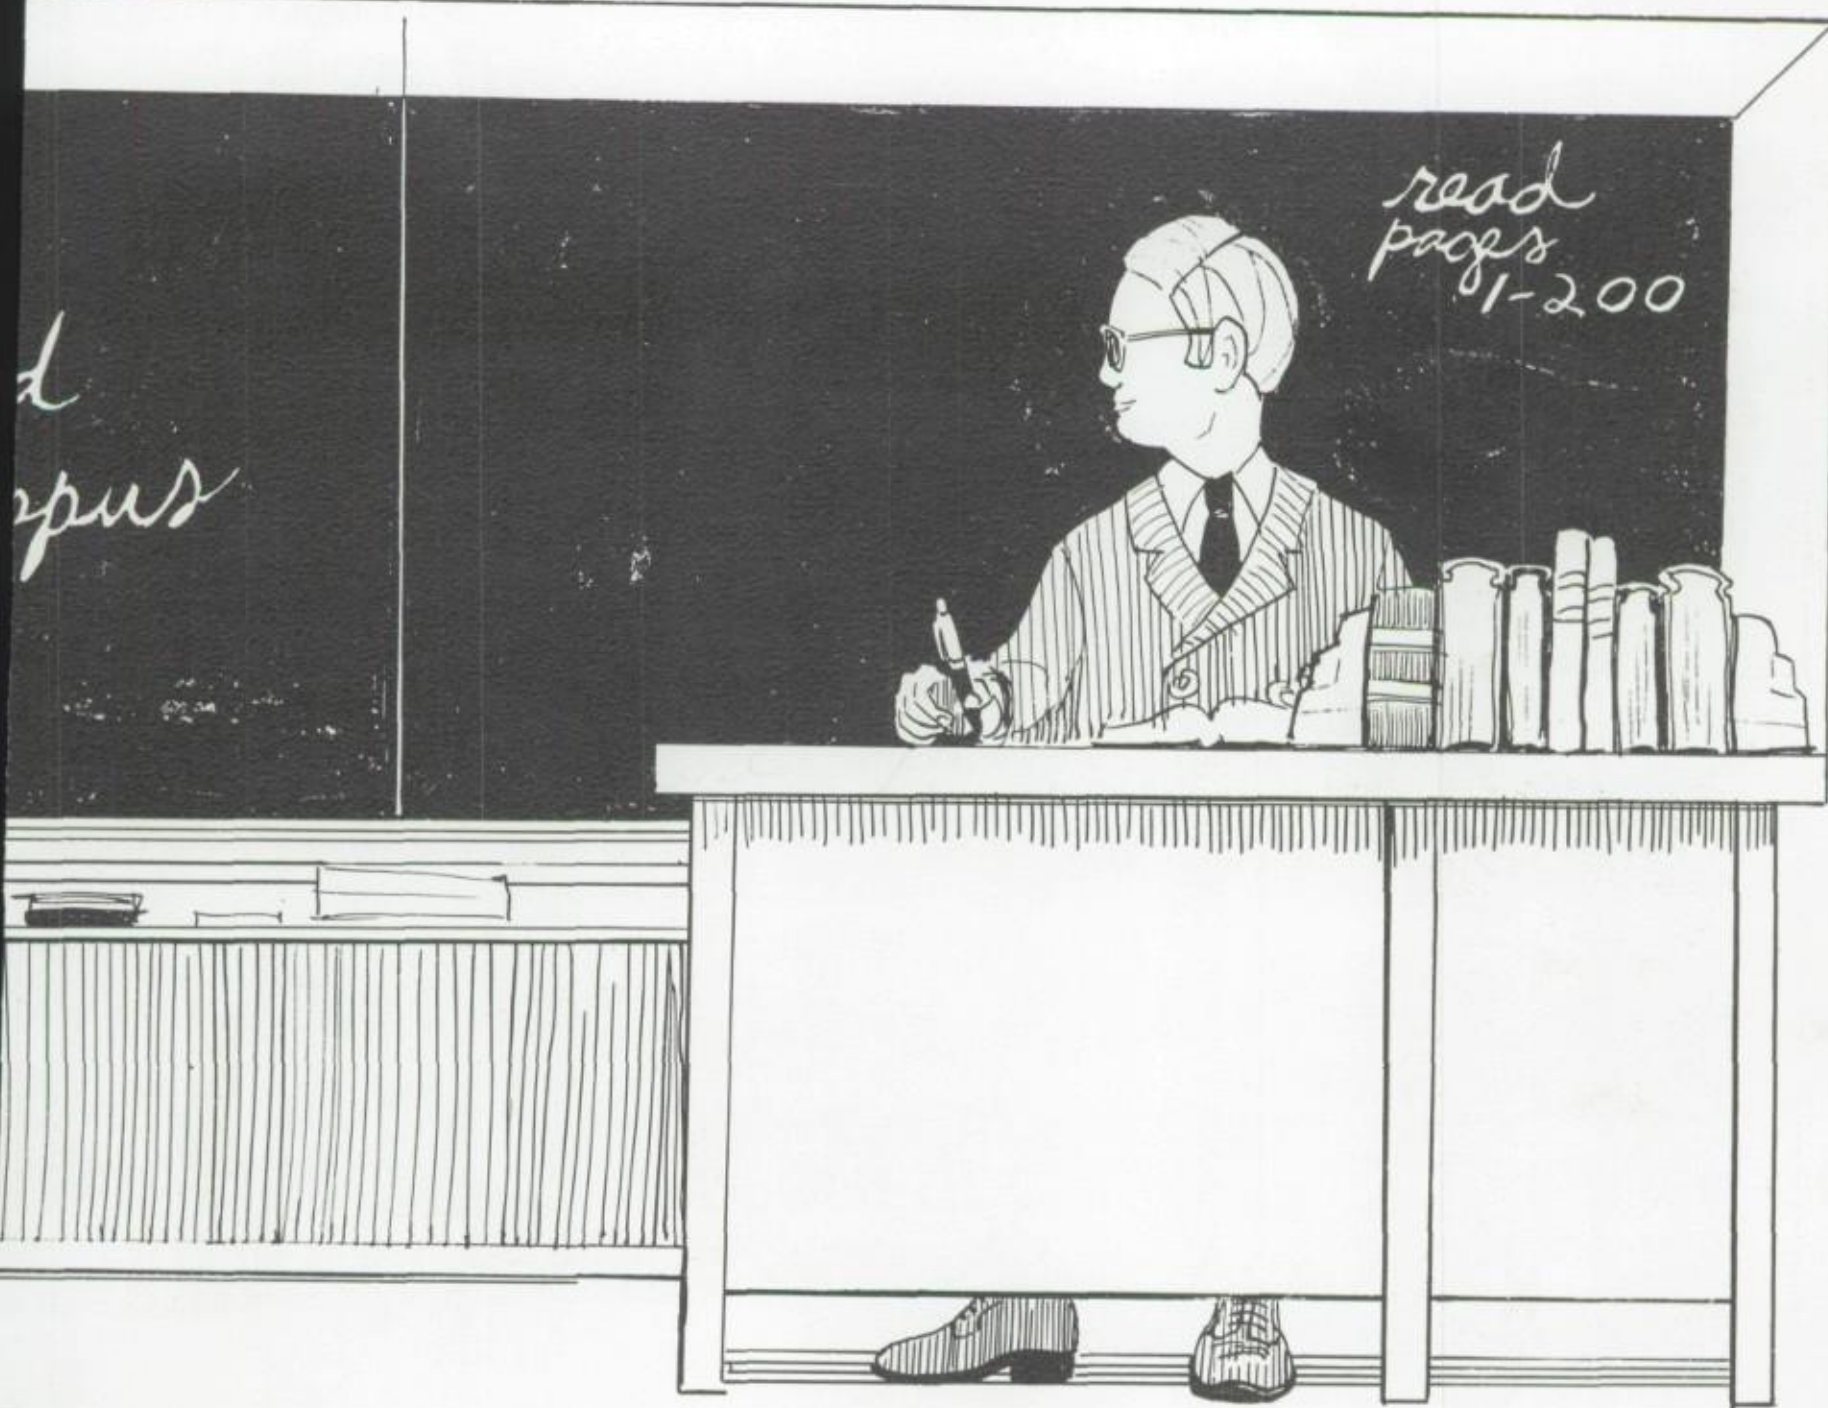

# ONCE UPON A TIME

# EMLOS

# Art Provides Opportunity

The fine arts department provides an opportunity for the student to receive instruction in the many and various areas of art. Courses are offered in basic design, an understanding of the field of art, sculpture, pottery and crafts.

Creative drawing, painting and printmaking, as well as sign painting and commercial art, are offered for those students who may be planning a career in art.

—W. L. Aller

What ever happened to finger painting?

Ted Marshall is busily, frantically emerged in the creation of another masterpiece.

The selection of ready-made clothing is one of the subjects taught in the clothing classes.

## Domestic Management Taught Future Homemakers

Today's homemaker is more concerned with managing family resources and relationships, than with producing family goods. For this reason, Homemaking classes emphasize good management in every area. Our new class called CHEC, helps girls prepare for employment using skills learned in Homemaking classes.

—M. A. Procter

Students partake in products of imagination in Homemaking.

Gaining valuable employment training is just one of the profitable advantages of being CHEC.

Mr. Denny Alspaugh, head of nursing personnel at Eastern State Hospital, delivers a lecture to Rogers students.

Mr. Alspaugh reacts to the questions of combined Sociology and Psychology classes.

Lt. Edmund Braune of the Spokane County Sheriff's Department, introduces four Washington State convicts in a special con.

# Social Sciences Emphasize Understanding

Psychology is the science of human and animal behavior. It is taught as a life-oriented course with an emphasis on assisting the individual to gain a better understanding of himself. Among the areas studied are: Learning, personality, intelligence, heredity and environment, biological foundation of behavior and mental illness. The student is encouraged to read widely in the field and to internalize that which he reads.

—L. T. Martin

Sociology is the study of man acting upon and reacting to his environment. There is an emphasis on the social structure and organization of society and the conflicts and problems arising within that structure. The causes, effects, solutions, and the preventative measures used to cope with these social problems are discussed and analyzed.

—K. M. Hanneman

Students become obsessed with studying.

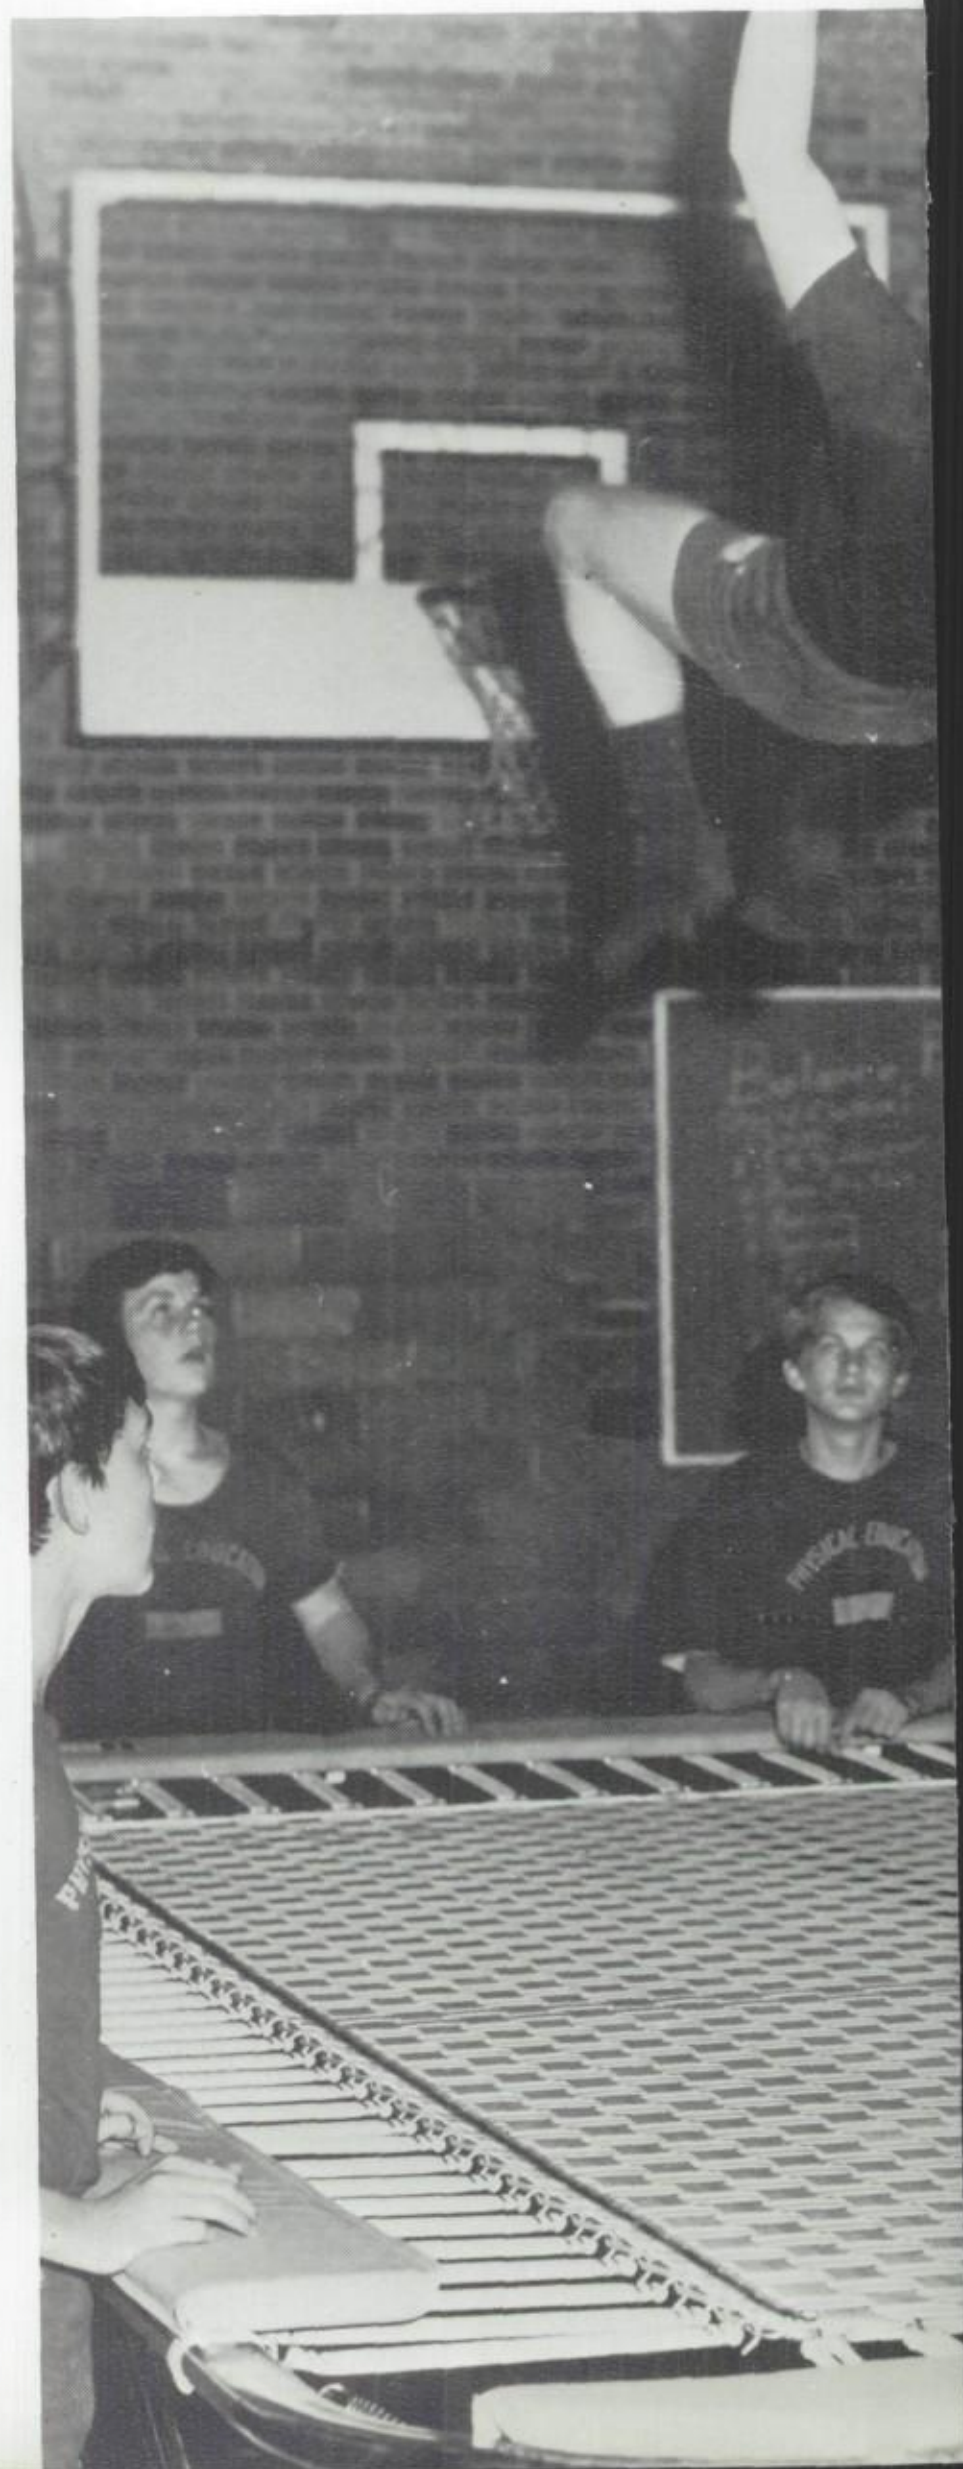

Height makes might.

Jennifer Gilliam uses skill in bowling class.

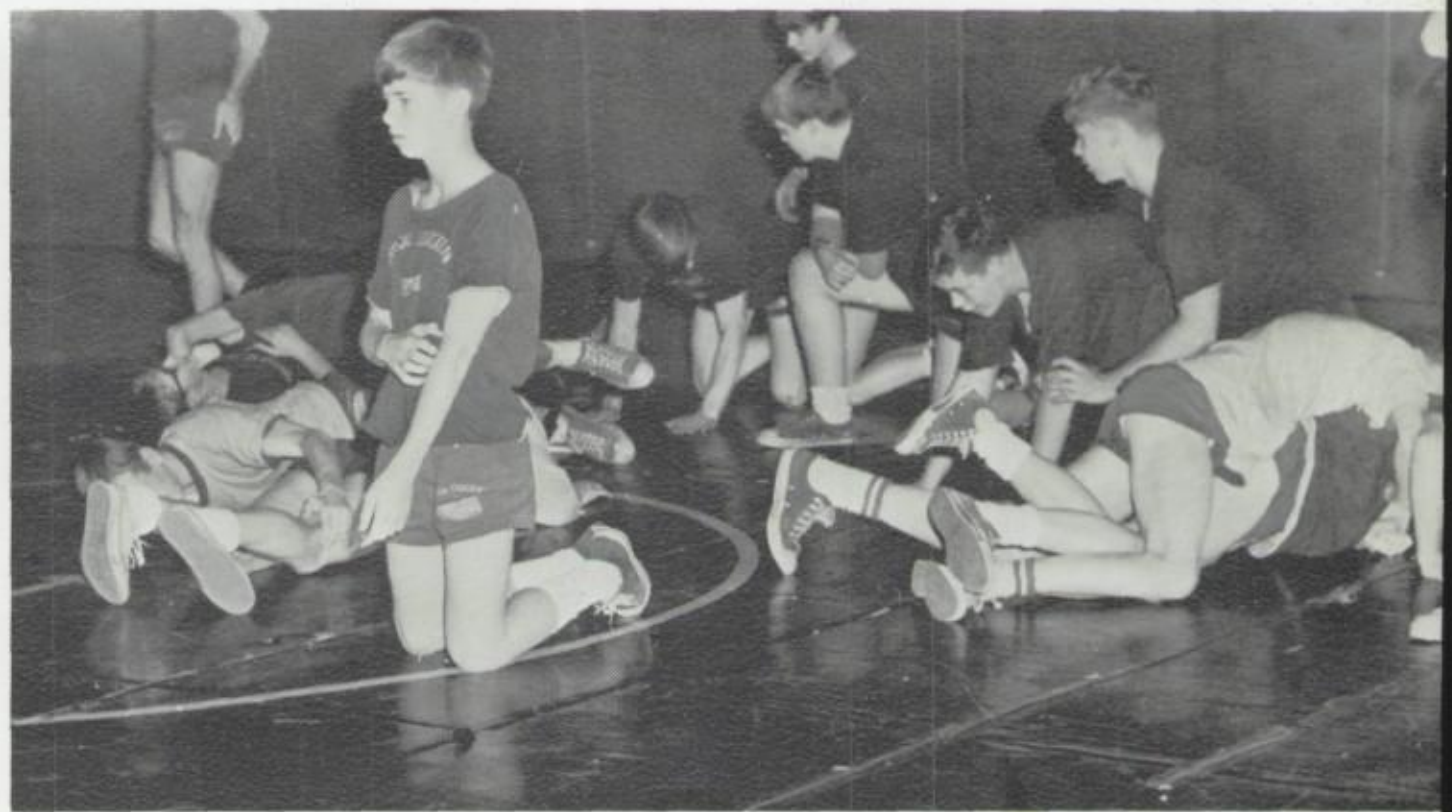

# Physical Education Adds To Learning

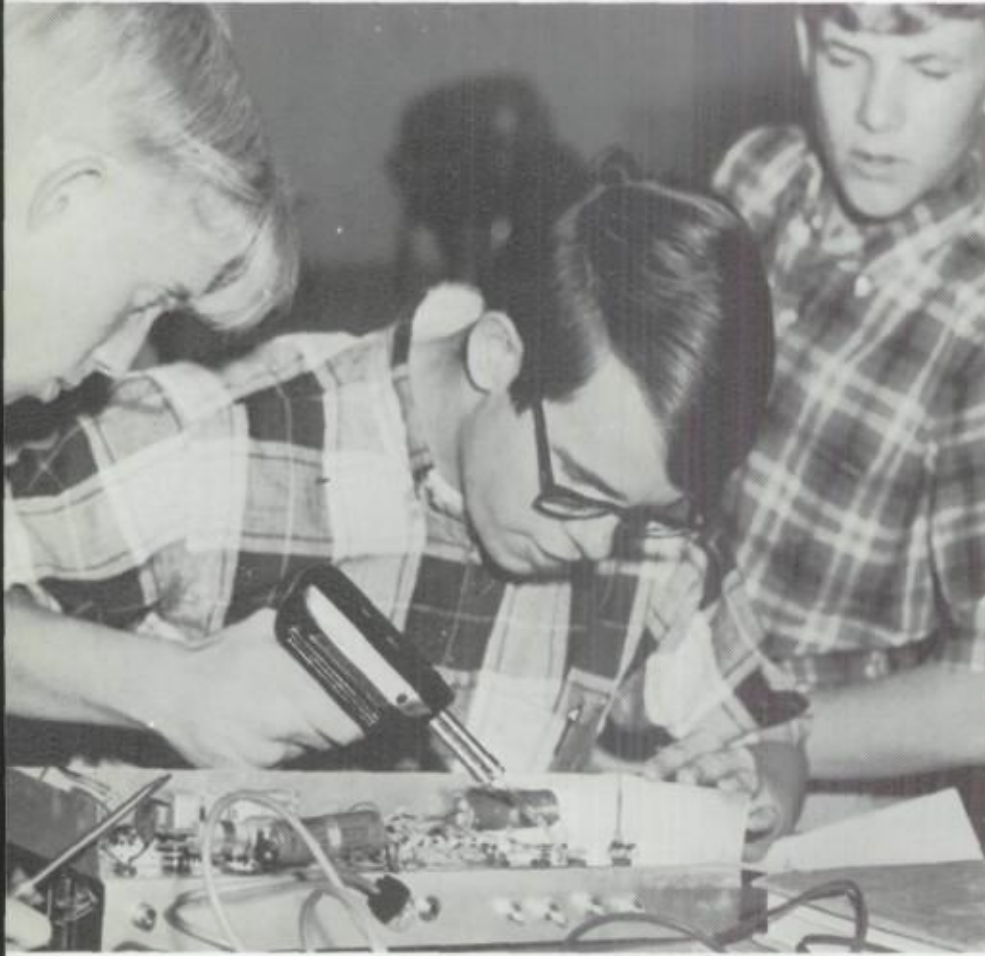

Driving . . . hitting . . . stretching . . . running . . . comprised the activities of the girls' Physical Education program under the direction of Mrs. Travis, Miss Foss, and Mrs. Lewis. The girls learned team cooperation in playing soccer, basketball, volleyball, and softball. Individual achievement was emphasized in bowling, golf, and archery; poise, body control, and coordination were attained by the gymnastics and modern dance program. The girls' Physical Education classes this year actively pursued the goal of a healthy mind in a healthy body.

The physical education department is quite similar to other departments found at Rogers. As the boys progress in their activities, they may choose to specialize in one sport, such as: Tennis, cross country or track. This can replace the regular P.E. curriculum scheduled by the teachers. In class the boys learn the basic fundamentals in a variety of sports. Usually, the activities follow the important sports during the school year and the classes are made interesting in this way.

Typical chaotic scene in boys' P.E.

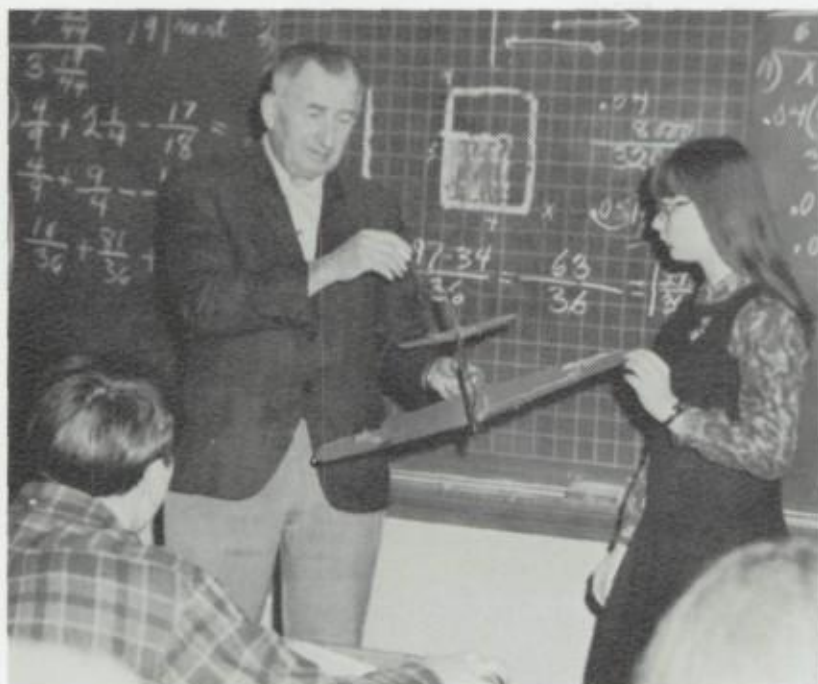

## Industrial Arts: Background For Employment

Bruce Housam works on an advanced project.

Chuck Inks and Mike Harrington inspect Larry Wather's near finished work.

Mr. Toth explains principles of aeronautics.

Mike Epler works at metal lathe.

The Industrial Arts Dept. at Rogers High School gives the boys a chance to learn many things about our industrial world before they graduate, and go out into the realm of employment. Many students have not made up their minds about what they wish to do as their life's work. In the shops, they have an opportunity to explore various aspects of industry.

Skills are important today in every job. In the shops and drafting room students begin to develop skills which will help them to hold good jobs later on. As we grow older, we often find occupational choices change, but certain basic knowledge and skills are necessary to advance in the complex society in which we live. At John Rogers, opportunities are available in a variety of subjects. What one can do, and how well he does it is likely to be a good index to success when one is out of school on the job.

—W. H. Chapman

Two students explore the world of science through scientific experiments.

## Variety Found In Science

Biology, one of several laboratory courses offered at Rogers, is usually taken in the sophomore year. It supplies basic knowledge of plants and animals, using current, new exploratory techniques through the laboratory approach.

Physics is a course designed to give the student a good comprehension of some of the major concepts of physics such as light, motion, force, electricity, heat, magnetism and atomic theory.

Integrated Math-Science combines the math and science in a one year course concerning topics in physics, chemistry and mathematics that are felt to be important to an understanding of the natural world in which the student lives. A credit may be earned in either math or science.

Chemistry is the study of elements, their reactions, and how they react to the world around us.

Through the use of textbook and laboratory experiences, the student learns about the properties of substances and energy of change in the substance.

Students take an active part in biology experiments.

# Boys Invade Home Economics

A home economics course for boys was re-instated this year. This semester course taught boys how to cook food. A special part of the program included the preparation of salmon, pheasant and moose hamburger. As a test of their accomplishments, the boys hosted the girls' class at a dessert.

Money management, mending, grooming and etiquette were also covered in the class. The class analyzes their future roles as bachelors, husbands and parents.

—M. E. Miller

Now they know how much fun mother has!!

A funny thing happened on the way to the stove!!!

Scholarship to the Gordon Bleu?

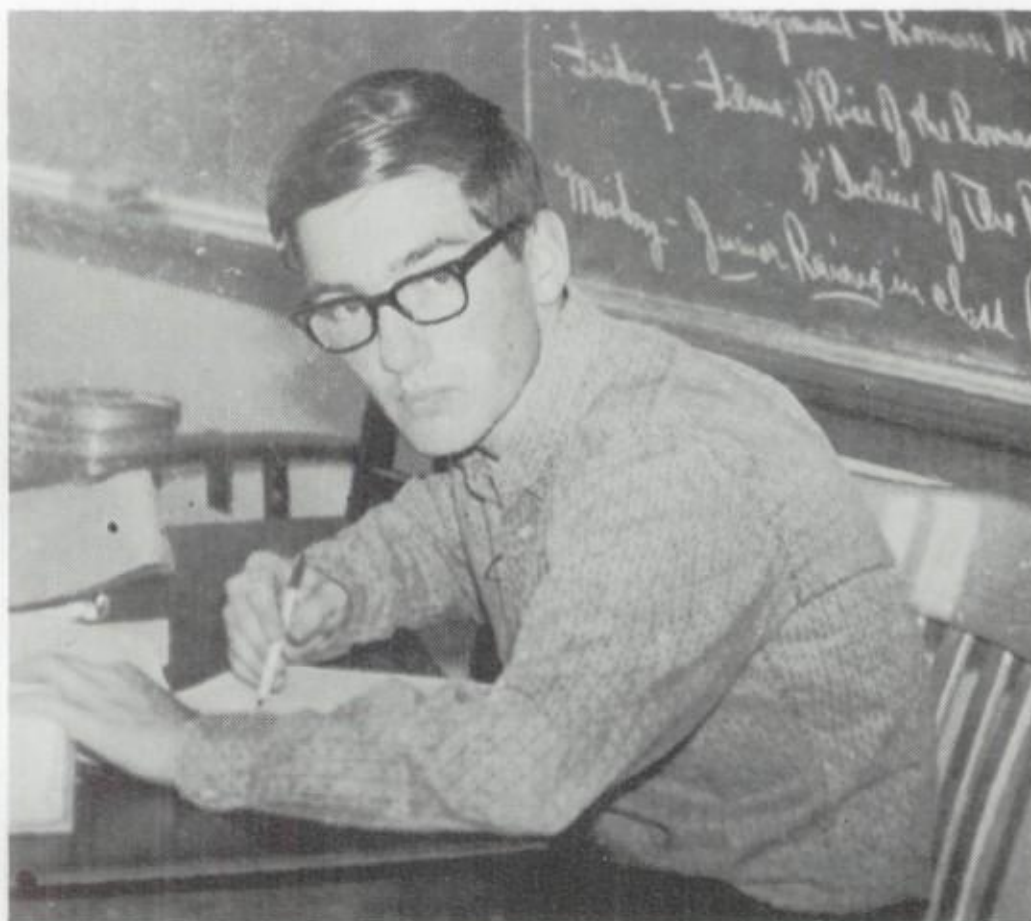

# New Ideas In History And English

What are the social studies? Generally speaking, most experts think of the social studies as a group of related fields, including: political science, economics, sociology, anthropology, psychology, geography, and history. Since no one could possibly teach everything known in these fields and since no student could possibly learn all that is to be known in these disciplines, teachers and students must pick and choose that which corresponds with their own objectives, coupled with the policies of the schools.

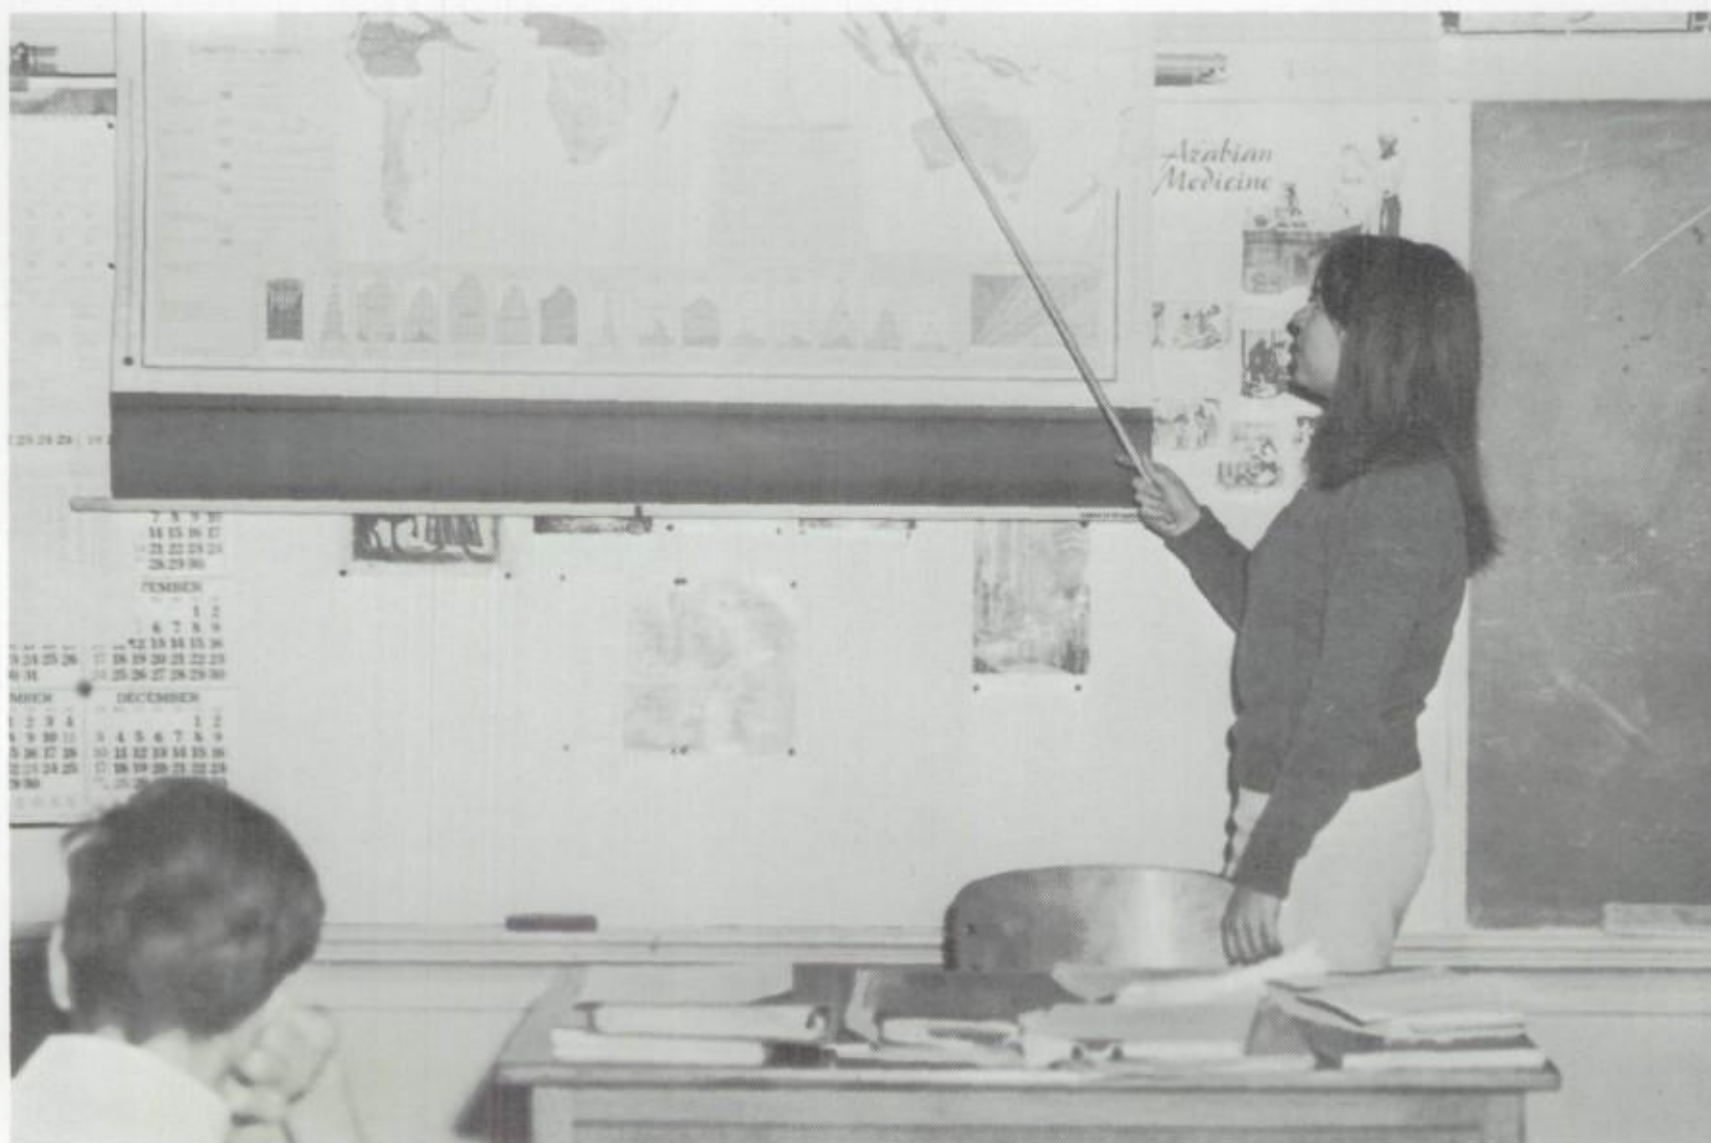

We, at Rogers, feel that social studies prepare students to be good citizens; that social studies teach students how to think; that social studies pass on the cultural heritage of society. In order to accomplish the above we believe in the development of inquiry skills, the development of attitudes and values, and the acquisition of knowledge.

If we accomplish our objectives, social studies should prepare each student to live intelligently and effectively in the future.

H. A. Sleizer

Dale McDaniel works hard as a teacher's assistant.

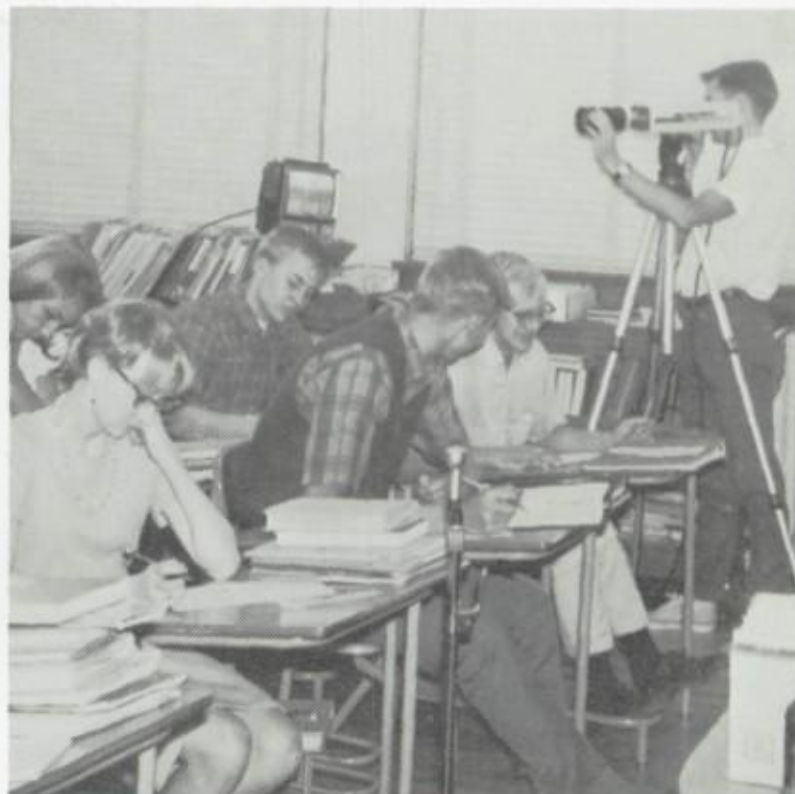

Teaching aids are helpful in providing better learning.

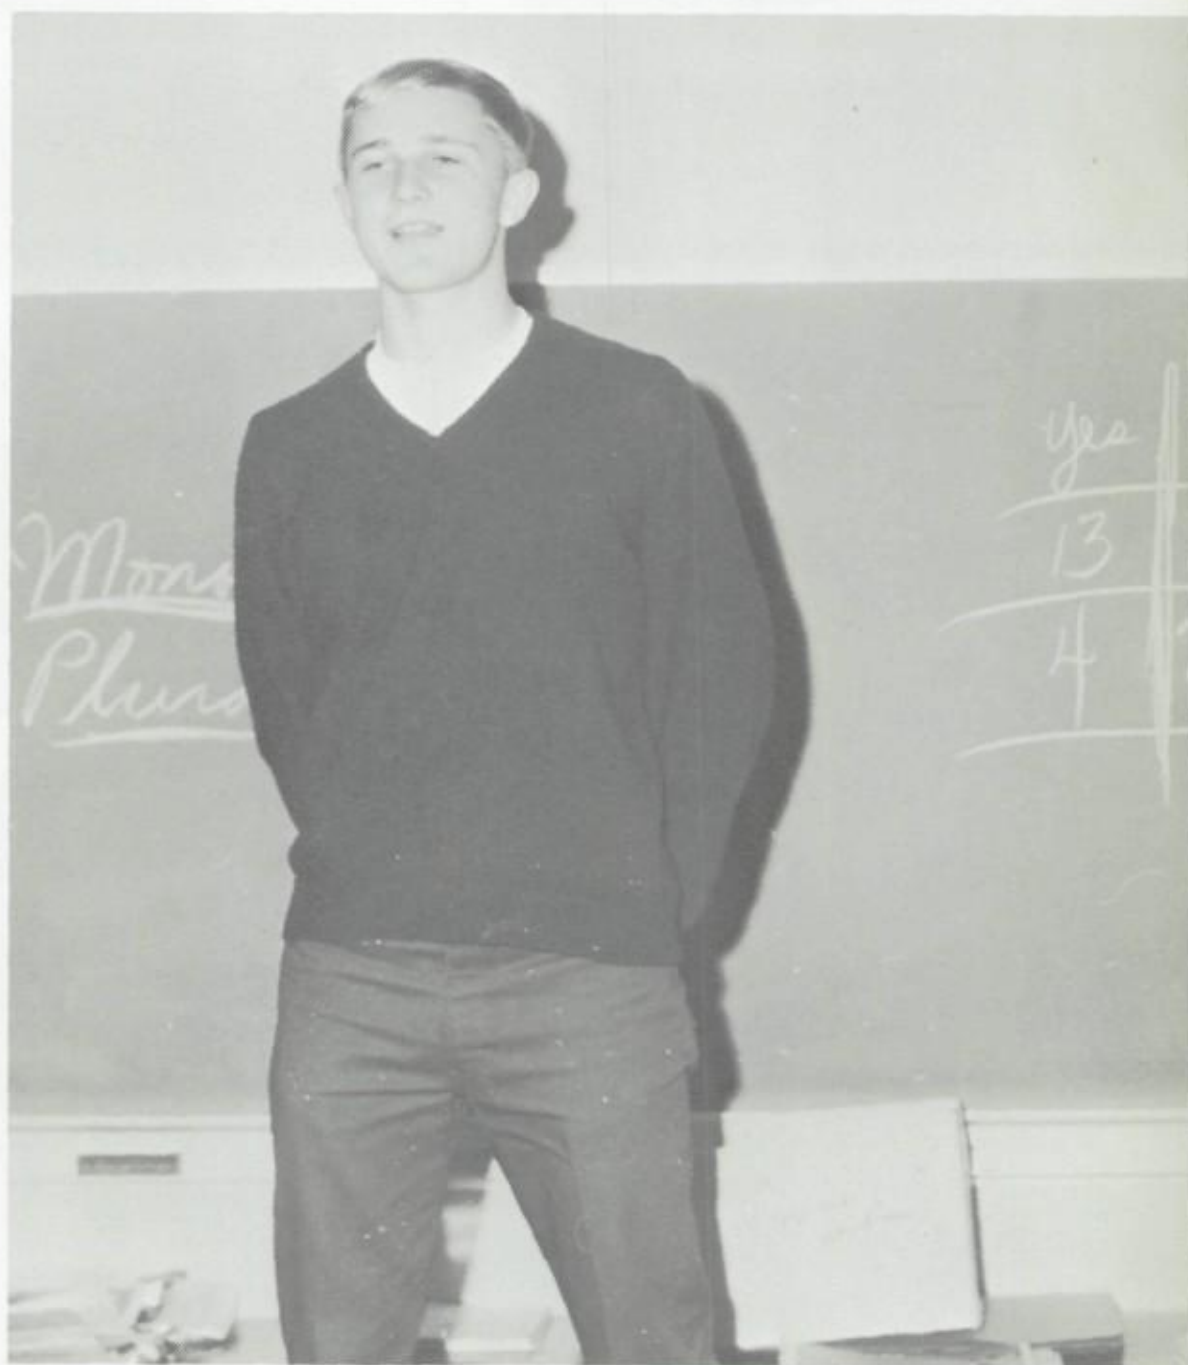

Cadet Foster Walsh used closed circuit TV.

Appreciation and communication are two of the most important aspects of English. Through literature, students of all ages are given opportunities to lead fuller lives. The complex world in which we live necessitates effective communication as never before. English teachers strive to have students appreciate their cultural heritage and communicate with their fellow man.

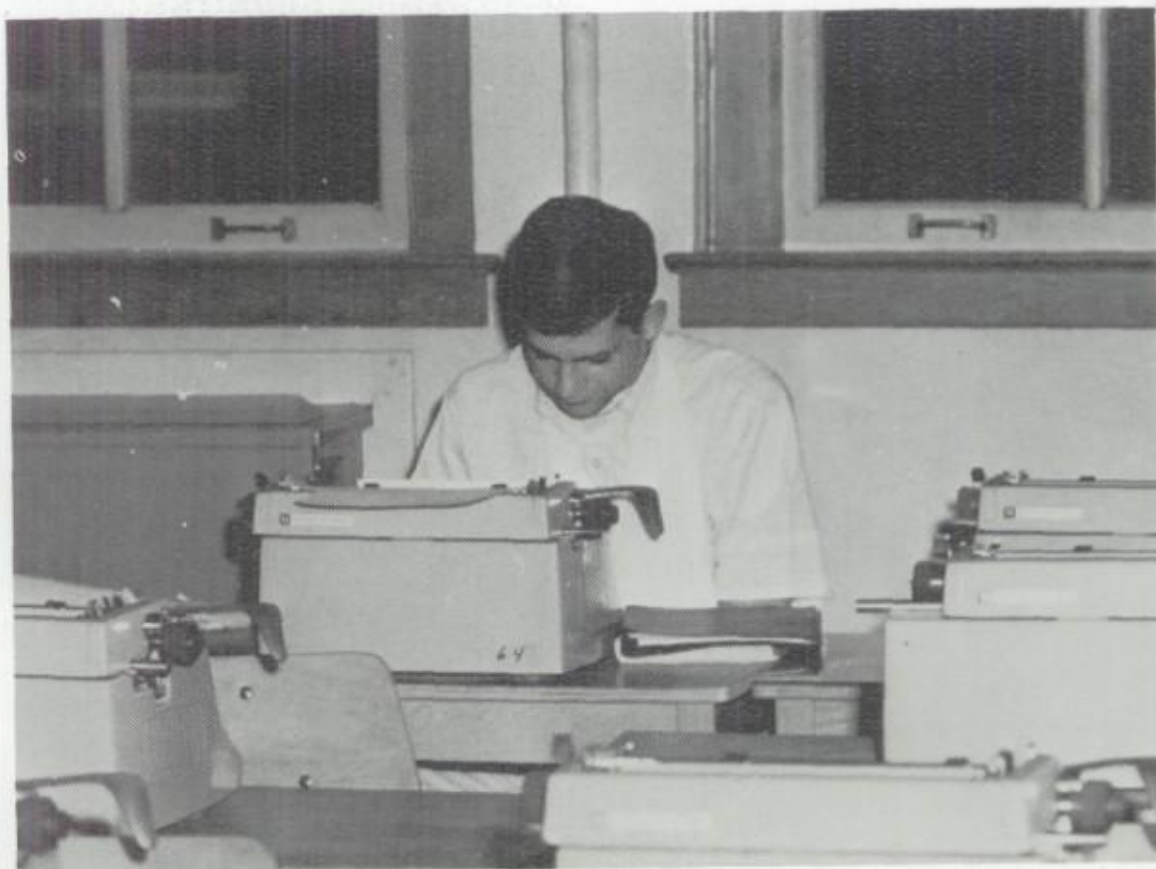

N. D. Ormsby

Speaking techniques taught in English 3.

# Business Classes Display Ambition

Disability doesn't dim enthusiastic attitude.

Patty Cress and Wendy Nick caught in the act of setting up a DECCA display.

Rogers High School is fortunate to have one of the best equipped business departments in the city. Students may choose from one to a dozen areas of study, and, for the advanced students a complete secretarial lab is available. Businessmen have recognized this valuable training, and Rogers' business graduates have always been in demand.

M. Stumpf

Seeing adds to learning.

Secretarial science covers every aspect of office work.

# Students Assist Teachers

FRONT ROW: Cathie Flaa, Marian Dayharsh, Linda Suriano. ROW 2: Laura Bellman, Linda Pollari, Betty Sites, Evelyn Powell, Bev Christopher, Lois Purtee. ROW 3: Scott Ellsworth, Bob Isitt, Mike Cross, Tony Herman, Ben Inman.

One outstanding program that was broadened this year to include almost every subject was that of Teachers' Assistants.

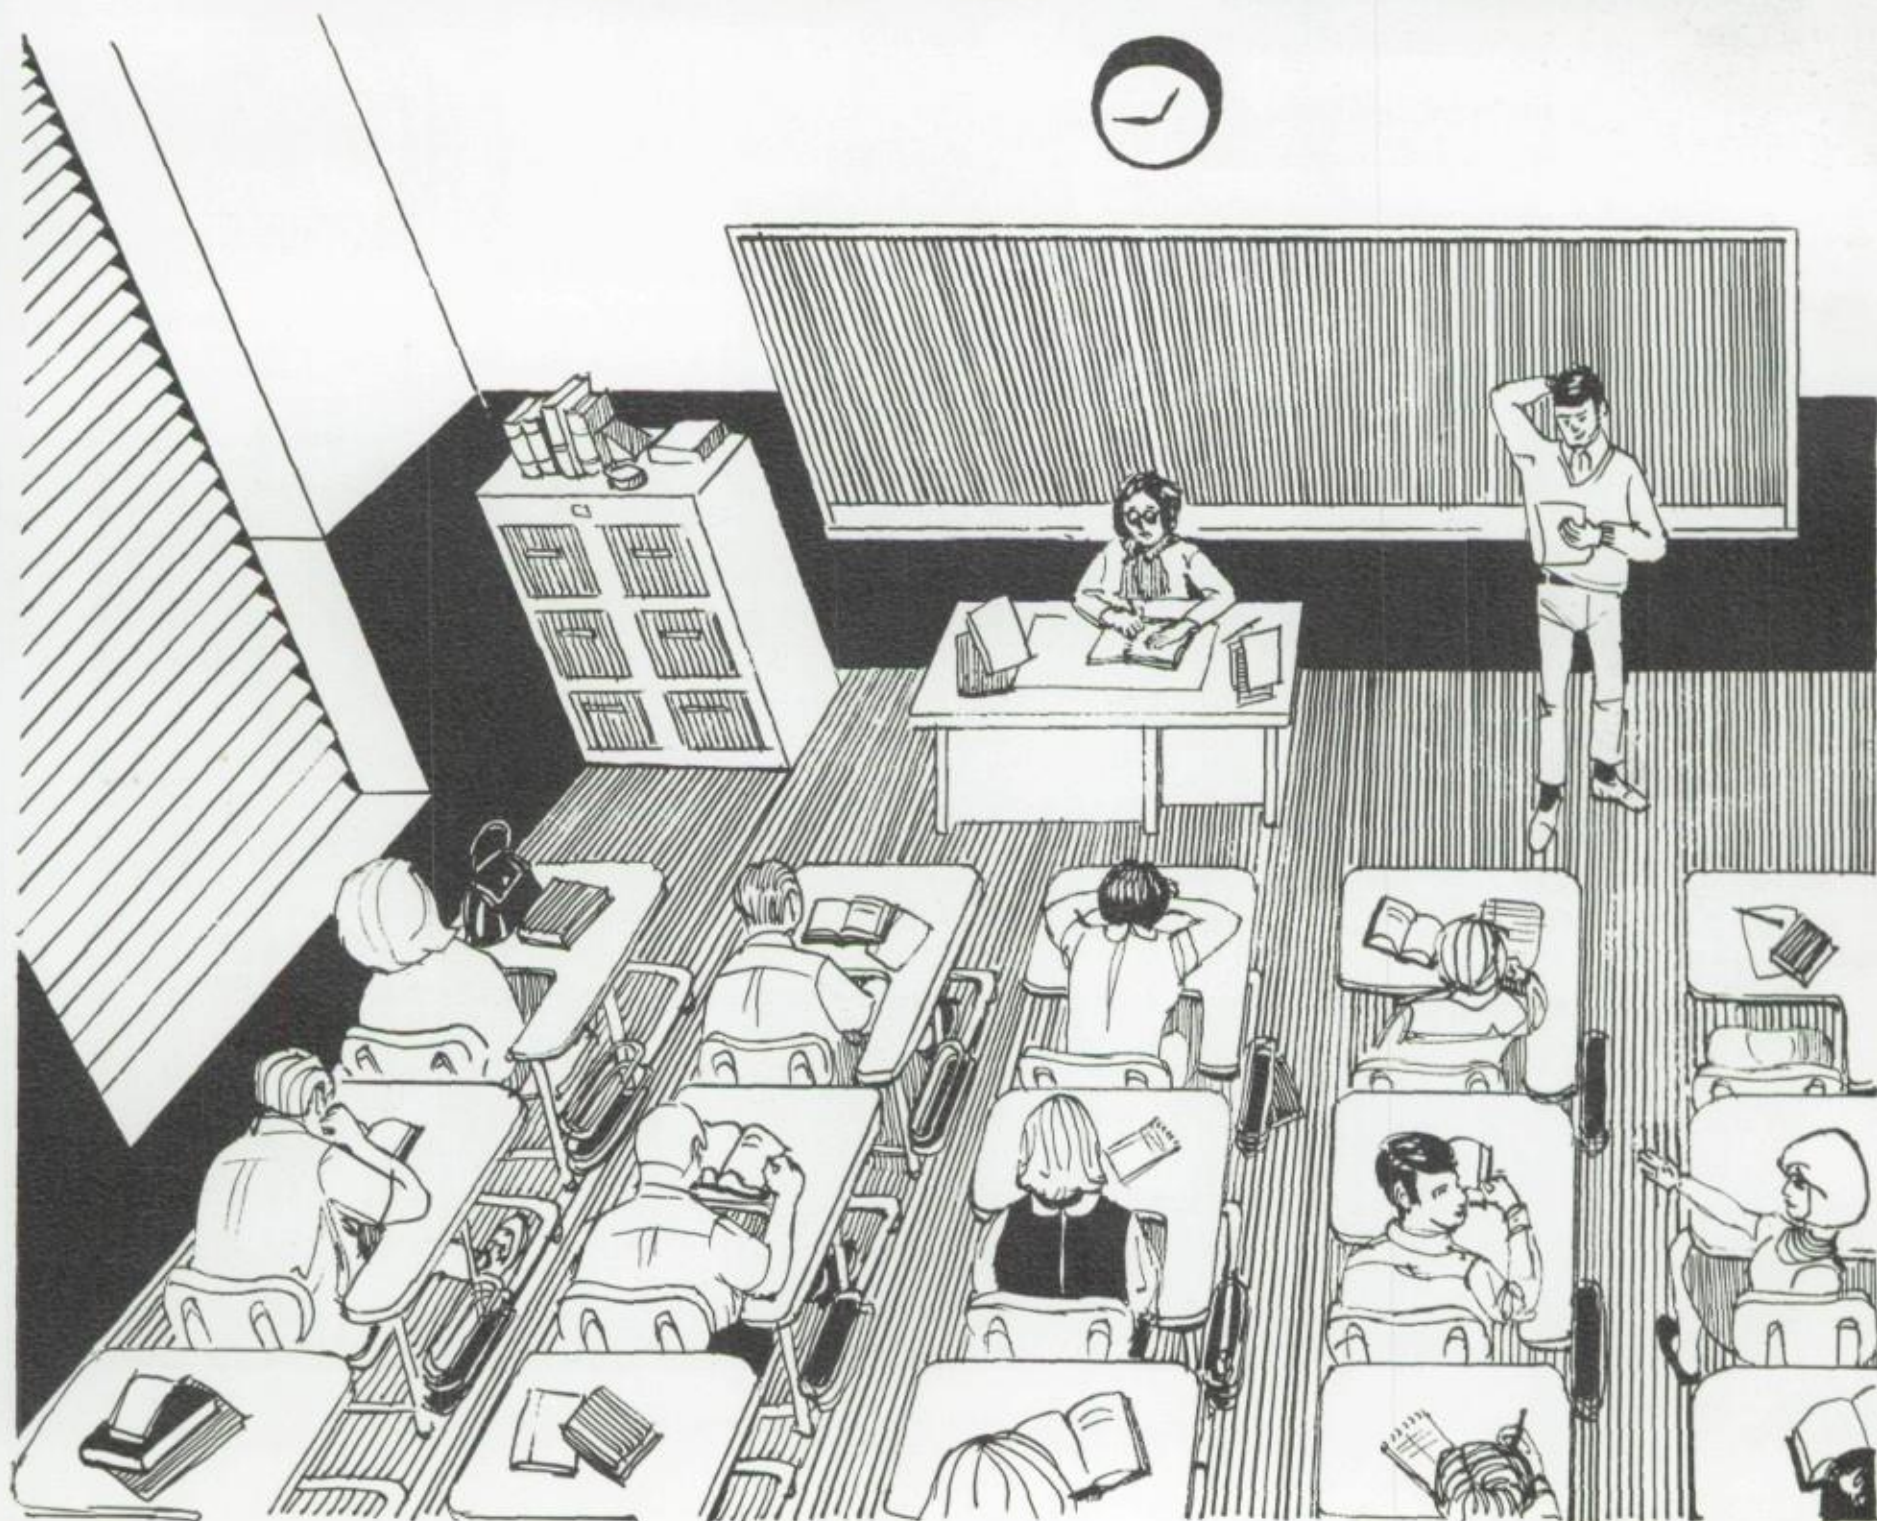

The program provides teaching opportunities for students who show interest and capability in one of their favorite subjects. Duties include: Teaching class, checking papers, and helping the student with his problems.

"Boy, could I ever use a Teacher's Assistant!"

# JUN JONES

Participation in activities is enthusiastic.

This year, we the Junior class officers would like to make our goals of the following:

1. Create more fund raising ideas for the class to choose from.
2. Create more Junior Class involvement in school activities.
3. Better ourselves in the knowledge of student government for our future use as citizens.

# 'Under Water' Theme Of Rogers Revue

Boys' Double Quartet added a masculine note.

Gymnasts execute skills.

Rogers' Revue was presented in a matinee, March 27 and also on the evening of March 28, 1968.

"Under Water" was the theme of this year's variety show.

Any Rogers student was eligible to be a part of the cast. The crew was supervised by Mr. Forest Brigham, Mr. Robert Foster, Mr. Ronald Griggs, Mrs. Vernice Travis, Mr. William Aller, Mr. Dale Brannon, Mr. Clay Swisher, Mr. James Buckley, Mrs. Linda Lewis and Mr. Clary Wright.

The Program included: Gymnasts, Triple Trio, Double Quartet, the Rogers Cheerleaders, Pirettes and members of the Drama Department.

Other acts were: Tumbling, folk singers, a beauty pageant, accordeon players, Lady Barbershop Quartet, a magician, a penguin dance and Miss Bubbles.

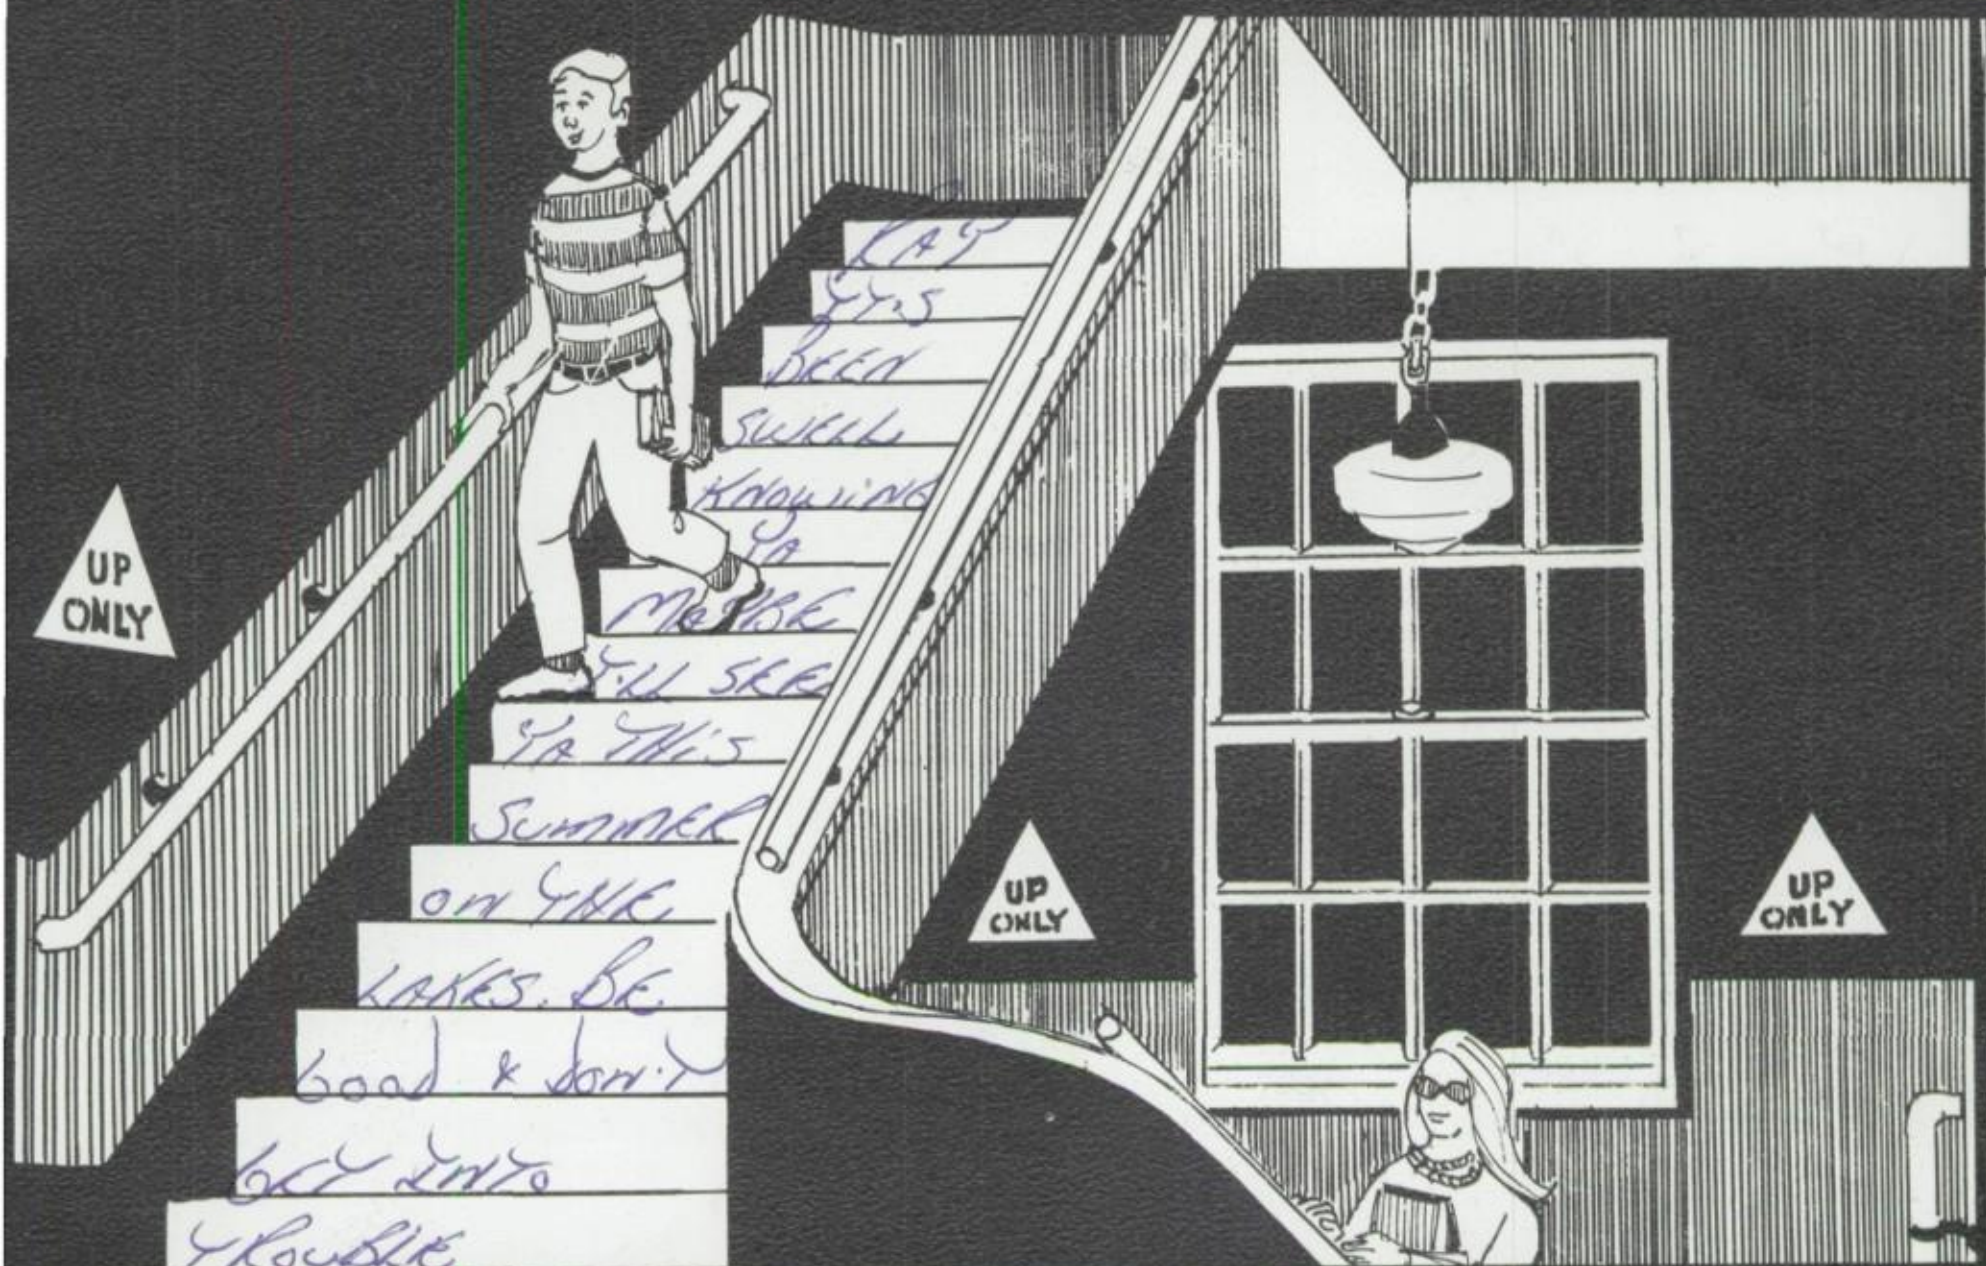

*Boy  
It's been a great  
Year TOO Bad it's over  
With its all over.  
See ya around  
Stephen James Skeman*

An added attraction for the boys.

A higher platform of entertainment was contributed to by Dan Cutler and Clarence Geer.

The Future Business Leaders of America is a national organization for students enrolled in business subjects. There are high school and college chapters, state chapters and the National Organization.

The local chapter has meetings twice a month, delegates attend the state convention in Ellensburg every year, and we have had delegates attending the National Convention which is held in a different area of the United States each year.

Some of our activities this year included a candy sale, bake sale, and car wash to raise money for the club, a Christmas caroling party at the Mansion House and Rivercrest Nursing Homes, exchange meetings with the North Central Commercial Club, a Potluck dinner, and a spring picnic in honor of the graduating seniors.

The purpose of FBLA is to:

1. Develop competent, aggressive business leadership.
2. Strengthen the confidence of young men and women in themselves and their work.
3. Create more interest and understanding in the intelligent choice of business occupations.
4. Encourage members in the development of individual projects and in establishing themselves in business.
5. Encourage members to improve the home and community.
6. Participate in worthy undertakings for the improvement of business and the community.
7. Develop character, train for useful citizenship, and foster patriotism.
8. Participate in co-operative effort.
9. Encourage and practice thrift.
10. Encourage improvement in scholarship and promote school loyalty.
11. Provide and encourage the development of organized recreational activities.

# Character And Service. . .

## National Honor Society

National Honor Society is a group of select honor students and school leaders chosen by the faculty every spring. The purpose of the honor society is to promote scholarship, leadership, character and service throughout the entire school.

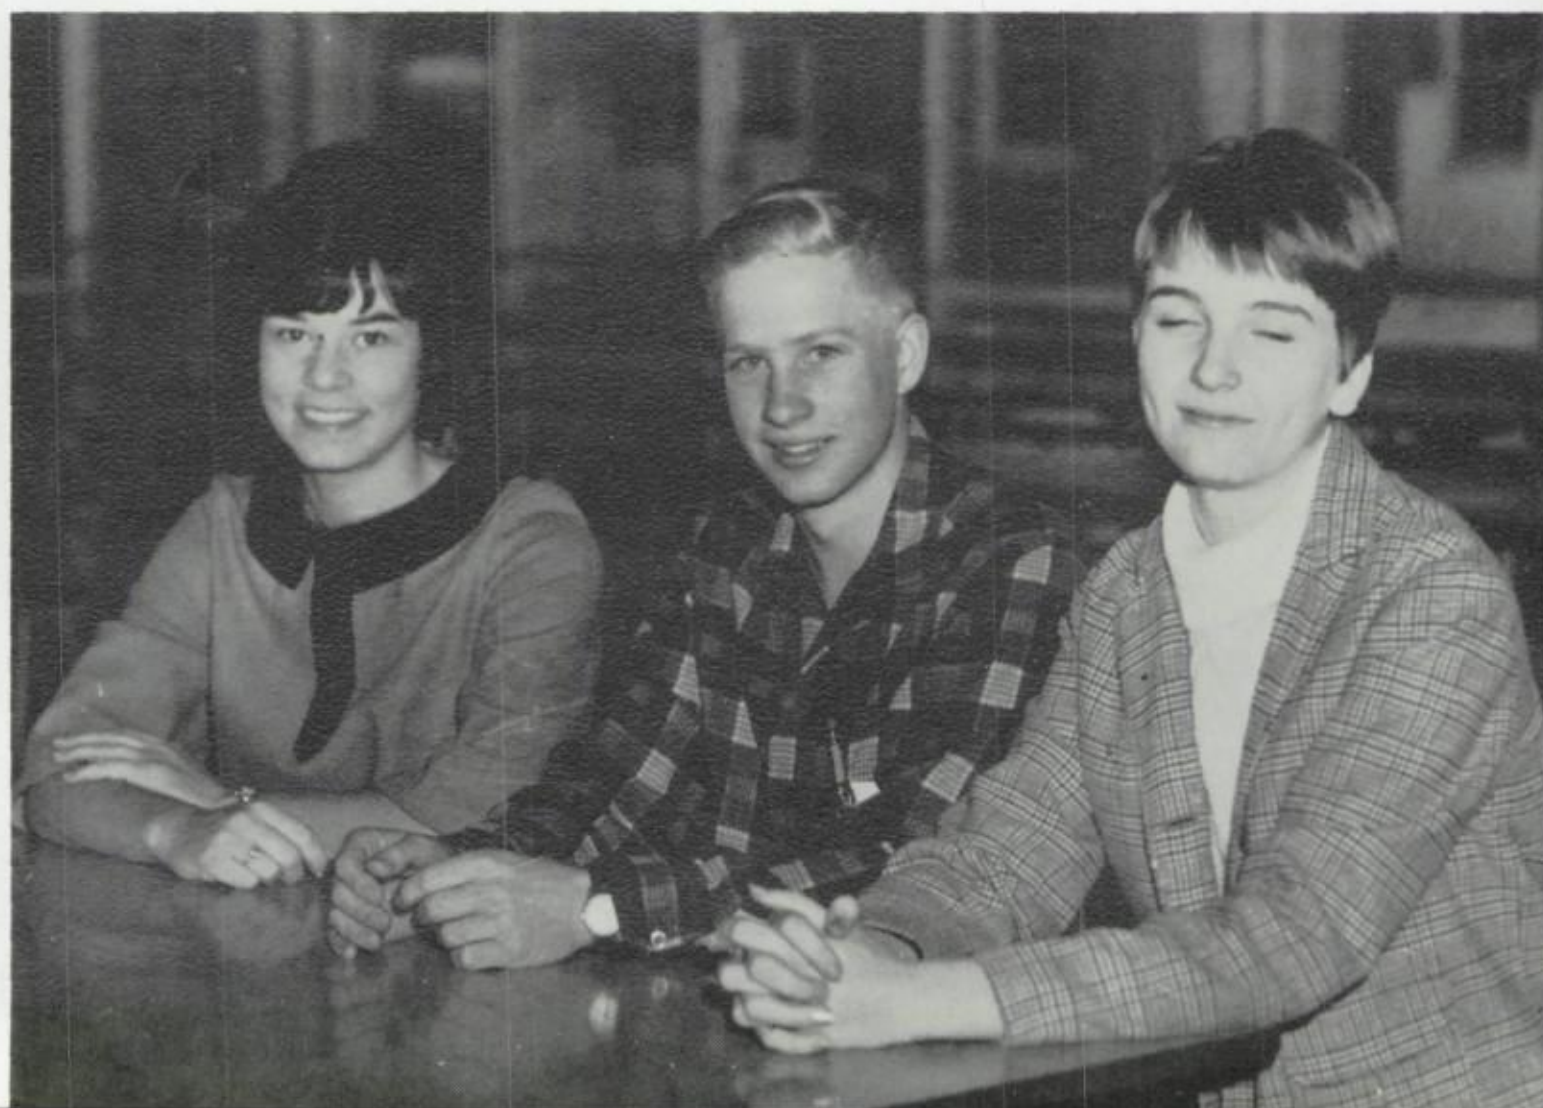

Honor Society came under the capable leadership of Dan Cutler, president; Barbara Ferrel, vice president; Ellen Larson, secretary; and Mrs. Lena Schmidt, adviser.

Activities for the group were numerous, and included such things as raising money during Christmas, to provide a dinner for a local needy family. In addition, toys, clothing and other gifts were given. The Club will also hold the annual tapping con and initiation banquet for new members in the spring.

# Thespians Entertain Student Body

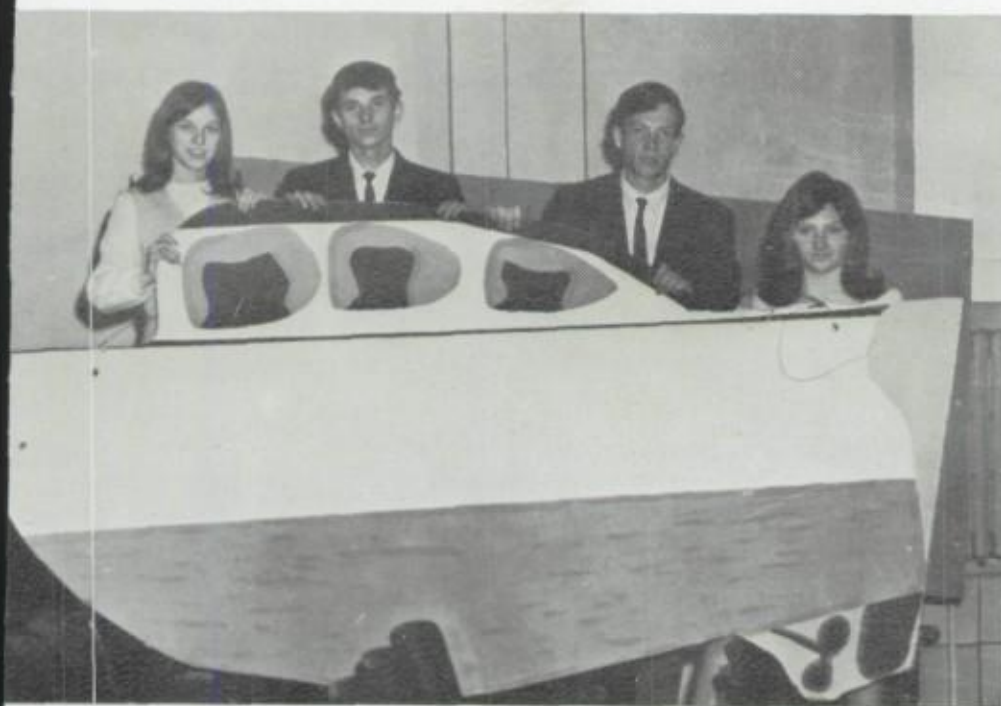

Thespians, troupe 1064, is the dramatic arts honorary club of John Rogers High School. It is an extreme honor to belong to such a group and requires many hours of hard and concentrated work.

Their major production this year was the fall all school play, "Time Out For Ginger," although not all of the cast and production staff are troupe members. The troupe also helped with make-up and other back stage work in the Christmas show and the review.

Their motto—"Act well your part: There all the honor lies."

# Chess Club Members Plot Strategy

Club members contemplate the next move during a critical game.

Chess Club is an organization formed for those students who are interested in chess and competition with other students and other schools.

The game is a mental exercise based on the players' ability to take advantage of each other's mistakes.

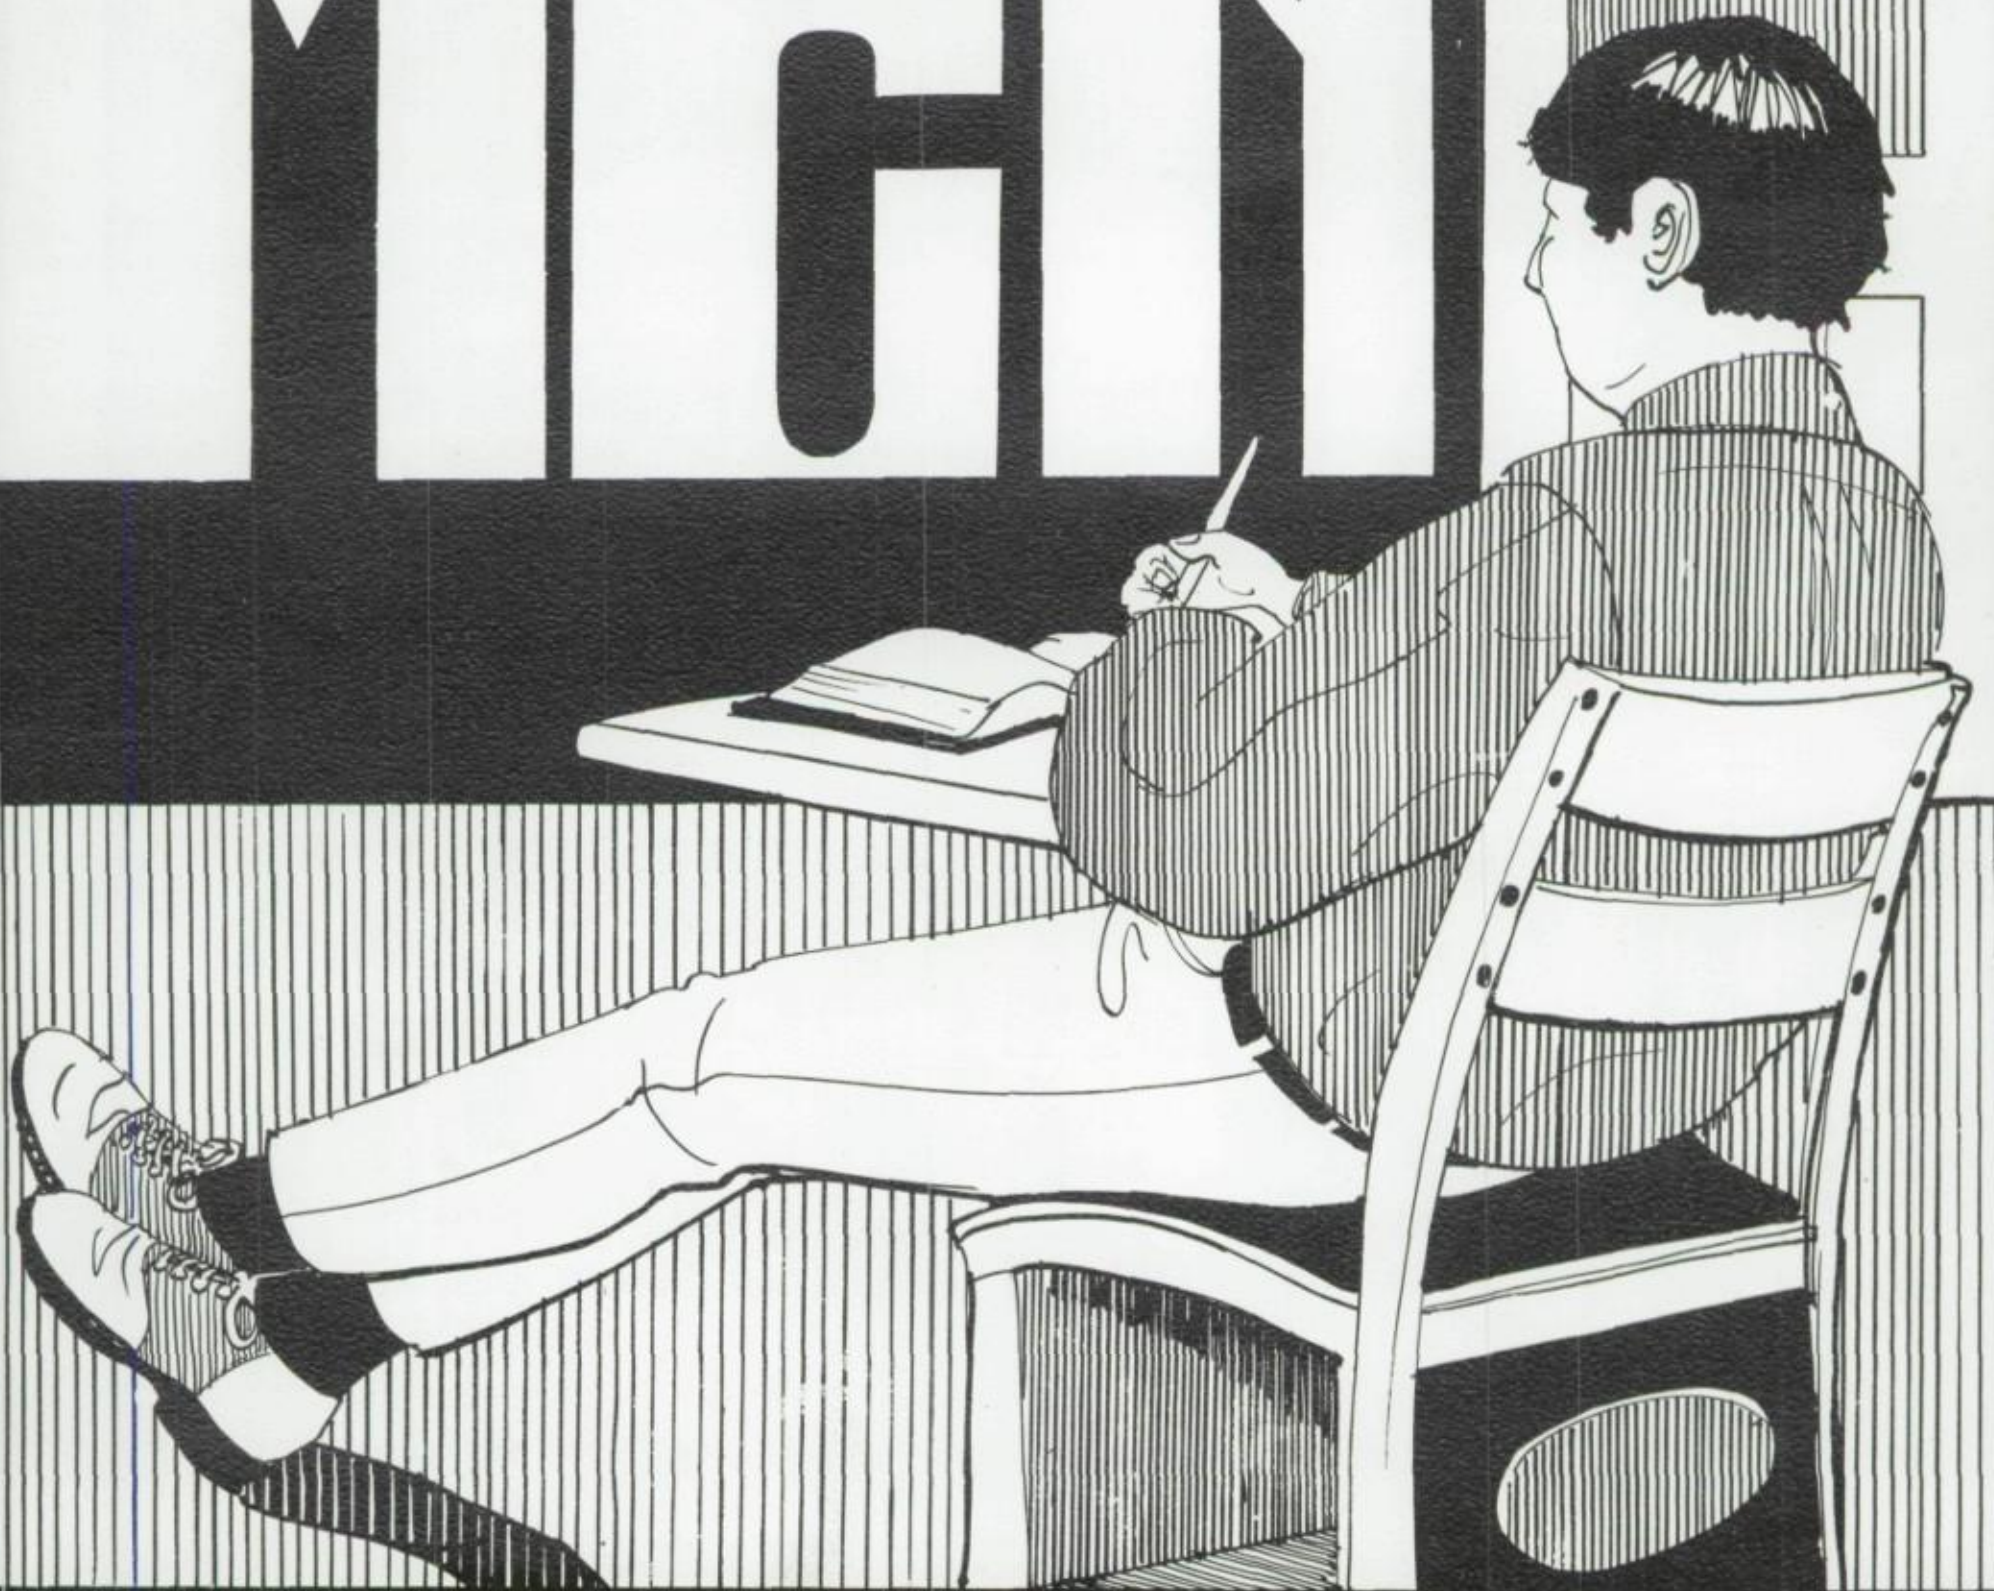

Although not thought of as a spectator sport, chess can be very interesting to the onlooker, and each member is encouraged to watch other games when he is not playing.

Those students actively involved are able to meet new friends while learning to organize their thoughts and present them through the game of chess.

# Girls' League Adds Feminine Touch

Each girl when entering Rogers, is given the opportunity to serve through the Girls' League.

This fall, the league was under the leadership of president, Janine Hanson; vice president, Glenda Hanson, secretary, Jody Braim; treasurer, Sharon Dawson, and the adviser, Mrs. Helen Leland.

The main project of the fall officers was the Dad and Daughter Dessert. Ellen Larson, chairman, and her committee, chose the theme, "The Good Ship Dad and Daughter."

On sweater day the Girls' League con featured a style show, and after school, there was a mixer.

Special projects included charity drives and a pajama drive to help the USS Hope.

During Christmas, Girls League helped a needy family. This year, the annual Christmas play was "Surprise Party in Mother Goose Land."

Officers smile warmly even during work session.

## Boys' Federation Displays Character

Fall semester officers of the Boys' Federation this year were Dennis Hardy, president; Ron Sand, vice president; Bob Isitt, secretary; Ed Thew, treasurer; and Mr. Dale W. Mummey, adviser.

Boys' Federation became involved in many activities this year, with varying amounts of success.

One of the Federation's pet projects over the years has been the annual Mother-Son Banquet. The Banquet was held on the 28th of November, under the leadership of vice president Sand, and resulted in a commendable amount of success, especially as far as most of the mothers were concerned, for it isn't very often that they get treated with such special attention by their sons!

Bob Isitt, secretary

During the Christmas Season the Federation worked with ASB to provide some amount of happiness to the needy families of our community. In a money raising effort the Boys' Fed. in alliance with the Girls' League set up a Santa Claus (Ron Ulmer) in the front hall to whom the students could come and talk and donate money.

On the last day the Federation went out among the students collecting money, and the response was tremendous. Food was bought with the money as well as a few toys for the little ones of the families, and then was delivered to the homes.

"All this and heaven too!"

## Radiant Royalty Reign Over Memorable Week

Each fall, one week is set aside to honor Alumni of John Rogers. Homecoming activities are centered around two main events, a football game during the day and a dance that night. A homecoming court consisting of four princesses and a queen preside over the week's activities.

This year the Homecoming Court included princesses: freshman, Gina White; sophomore, Debbie Boyd; junior, Karen Belieu; senior, Kathie Walker, and the 1967 Homecoming Queen, Jaque Wallace.

In the homecoming game, held against Gonzaga Prep, Rogers football team tied Prep 7-7.

All in all 1967 Homecoming proved to be a great success.

A quiet moment.

"Don't worry, Karen, your hair still looks nice."

Sandy Jilbert and Dennis Ashley agree that practice makes perfect, and it is also a lot of fun.

## "Time Out For Ginger"

One fall evening in 1967, the curtains of the Rogers stage opened for the all-school play, "Time Out for Ginger," directed by Mr. Dale F. Brannon, dramatics instructor.

### Cast members:

## "Rumpelstiltskin"

"RUMPELSTILTSKIN" opened its annual regional tour in early March, 1968, and completed over thirty performances at local grade schools and throughout the Inland Empire. The season's highlight was the week spent in Olympia presenting six performances to the local youngsters.

Trouping the play were Dennis Ashley, Beverly Craig, Mikael Cramer, Ted Crandell, Dan Evans, Marily Hansen, Sheryl Harbold, Judy Howe, Sandy Jilbert, Robin Olsen, Bob Perier, Wayne Rickard, and Terry Thain.

The journey was long in the preparation of an original script, but the end results were dazzling.

Cast members take final bow before curtain closes.

## ASB Leads Fall Activities

Elected in the spring of 1967 as Fall Semester ASB officers were: Mark Kondo, president; Bob Lundstrom, vice president; Susan Hoffman, secretary, and Mike Kondo, treasurer.

Fall ASB officers were very active. Mark Kondo guided the student council smoothly and efficiently. Bob Lundstrom set up a student exchange with Mount Tahoma High School. The secretary, Susan Hoffman, was instrumental in getting a press box built for the football field, and Mike Kondo worked with Mr. Mabbott in establishing the Gold Card System,

which enables senior citizens to attend high school events.

This group of officers also endeavored to bring the school constitution up to date. They also purchased a video-tape camera. One of their most gratifying accomplishments was handling the annual canned food drive for needy families.

These officers also continued interschool relations with other schools. Officers from other schools were invited to attend our ASB meetings and officers from Rogers visited other schools in return.

# Photo Staff Serves School Publication

This year six student members made up the Rogers' Photo Staff. They included Dan Danforth, Gary Ratzlaff, Ed Feldhusen, Mark Rattray, Ted Harty, Jim Lee. Adviser, Mr. James Buckley, instructed the group.

The photo staff serves the school by taking pictures for the Rogers Record and the Treasure Chest, school publications.

Dan Danforth served as head photographer.

Under the guidance of Mr. Clay B. Swisher, journalism adviser, the book began to take shape as the theme, "Past Equals Future" was developed, through the recollection of the many highlights of the school year.

## Rogers Record Informs Students

Watch out! There go the fingers.

Under the capable leadership of editor Larry Domrese, the Rogers Record kept the Pirate student body informed about changes made during the school year.

Ed Thew served as editor during the second semester with Dale McDaniel serving as associate editor.

Published entirely by publication students the Record reflects the active minds of John R. Rogers' staff members who wrote about events happening at Rogers, as well as timely editorials of interest to the students.

At the end of the first semester, the beginning journalism class published the cub issue. Experience in news gathering, layout construction, public relations and proof-reading was gained through this class activity.

# Spring Swings With ASB

Spring semester has been one of the most productive at John Rogers. This couldn't have been possible without the united efforts of the officers. These officers were: Jerry Weaver, president; Alan Olson, vice president; and Nancy Pyette, secretary.

This spring, the Rogers' handbook was revised. All of the officers worked together revising the book with Alan Olson in charge of getting it printed. All officers did a commendable job.

The officers also put into effect the Mt. Tahoma High School exchange, started by the fall semester officers.

This student exchange is planned to be a continuing program at Rogers. A tentative contract for student exchange is already drawn up with other schools in the state.

Among the many improvements, Dale McDaniel, Chairman of Constitution, brought the constitution up to date. Popcorn was sold during lunches to supplement the ASB funds. A Student Forum Committee was established as Jerry Weaver's plank and put under the direction of Larry Domrese.

As anyone can see, the spring semester officers were busy working for the good of John Rogers High School.

Nancy, Alan and Jerry: Them's city folk!

# Officers Add Imagination To Girls' League

Spring Girls' League officers for 1968 were: Sandy Jilbert, secretary-treasurer; Donna Finch, vice president; Jaque Wallace, president.

During their term, they planned a Dating Game con, a fashion show, and an All-City Tea.

In the Dating Game con, the committee chairmen dressed in costumes to represent their committee. Janine Hanson and Pat Patton won "most original costumes." Becky Goldschmitz chose Ted Crandell as her date and Ron Sands chose Judy Howe.

Officers went to North Central for a style show and Ferris invited them to their March meeting. In turn, each school was invited to attend a meeting.

At the end of the spring term, an All City Tea was held for all the new and old Girls' League officers throughout the city. This year, Rogers was the host. Each Girls' League president related activities they had done during the term, and each school got a cake frosted in the school's colors.

Success of the spring term is due to the hard work contributed by the committee chairmen and members as well as the expert leadership of the officers.

## Spring Semester Boys' Federation Moves On And On And. . .

In the spring, the Boys' Federation came under the leadership of Ron Sand, president; Don Olsen, vice president; Bob Wellman, secretary, and Larry Anderson, treasurer. The spring semester officers took office with a lot of work ahead of them. Main activity of the spring semester was the annual Father-

Son night under the direction of vice president Don Olsen.

Another up and coming spring activity, which was initiated only three years ago by the Federation, is the car rally. This year, the car rally was planned by Ron Ulmer.

# Princess Leilani Wickline, Rogers Candidate For Queen

Rogers 1968 Lilac Princess Leilani Wickline

Each spring, the city of Spokane presents its annual Lilac Festival. As the Lilac season rolls around, each high school chooses a princess as its representative. The queen is chosen from these representatives to preside over the week-long festivities.

At Rogers, selection begins with nominations for candidates in the homerooms. Then each girl is briefed on her speech topic and the elimination process begins.

Beginning with 18 girls, contestants were reduced to four finalists. From the four finalists, Sue Coe, Margie Best, Bonnie Parks and Leilani Wickline, Rogers chose Leilani as princess.

Lani is well known around school as a cheerleader, a member of Triple Trio, a Girls' State representative for 1967, National Honor Society member and member of the Smoking Council.

"The Key to Happiness" was the topic of Lani's extemporaneous speech. In her prepared speech she talked about Chief Gary, education, industry and the people of Spokane.

Finalists with escorts are: Sue Coe, Bob Austin; Marjorie Best, Dennis Hardy; Gary West, Bonnie Parks; Dave Moore, Lani Wickline.

Oration winners display calmness after triumphant victory.

## Sophomores Have Their Fling

Winners in Radio-TV display trophies.

Four lovely Interpretive Reading winners smile radiantly.

One of the big events of the fall for sophomores is the Sophomore Speech Contest. Most activities are run by the junior and senior classes, but this is one event exclusively for the sophomores.

All sophomores are required to take one semester of speech. The best speakers from the speech classes are then selected to compete in the speech contest.

Participants for the three areas, Oration, Radio-TV, and Interpretive Reading, compete in the school auditorium during school. Other English classes observe the contest giving the participants a live audience.

Winners in orations were: 1st, Tom Engdahl; 2nd, Donna Brandt; 3rd, Karen Durant. Winners in Radio-TV were: 1st, Barbara Thain, 2nd, Phyllis Cline; 3rd, Tom Dressler. Winners in Interpretive reading were: 1st, Sally Ellis; 2nd, Deanne McGhee; 3rd, Linda Buck and honorable mention, Shelly Nichols.

The Speech Contest was a rewarding experience for sophomores.

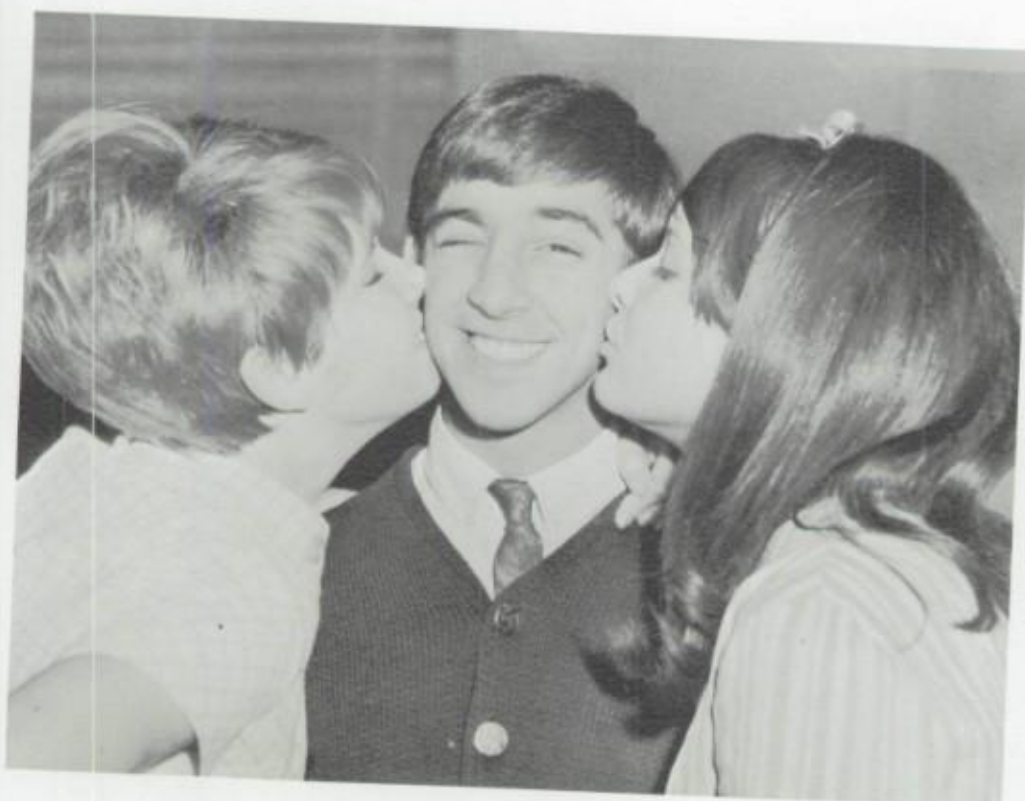

# It's Just A Routine Day

Little Red Riding Hood, Irene, watches the spirit tree.

Santa Claus, alias Ron Ulmer, listens to Christmas lists.

This is the life!

This year at school, there was an unconquerable spirit of mirth and fun. Life was never dull. There was always something going on—cons, pranks and just plain fun. The everyday life of students wasn't just reading, writing, and arithmetic.

The 1967-68 school year held the student body together in a long lasting friendship.

We don't have aggressive girls at Rogers. Do we?

Kathy, Barbara, Donna, Janine and Ellen, outstanding girls, chosen as Girls of the Month.

# Girls' League Sponsors Girl Of The Month

Each month, one senior girl is chosen as girl of the month. Nominations are made in senior homerooms the day before the Girls' League con. The girls with the most nominations are then announced at the con.

Prior to the con the only girls who know the name of the girl of the month are members of the Girl of the Month committee.

It's an exciting moment for any girl when her name is announced as Girl of the Month.

Girls' League also sponsors girls sent to Girls' State. Each year a girl, or a number of girls are sent to represent our school.

Schools throughout Washington send a representative. The girls meet and have workshops on government relations and the like.

The following year each of the girls comes back and relates her experiences to Girls' League at the first con.

Juniors to be sent to State this year are: Marilyn Nelson, Jackie Cantley, and Terry Hall.

Smiles every where!

# Student Exchange

## Highlights School Year

Once again Rogers ASB has had the privilege of exchanging students with another school.

Janine Hanson and Ted Crandell spent March 11-17 at Mount Tahoma High School, Tacoma, Washington. Attending classes and activities, they found the schedule there much different than at Rogers.

On March 18, Janine and Ted arrived back at Rogers with two Mount Tahoma Students, Judy Tollefson, a senior girl, and Tracy Bartoy, a junior boy, who spent a week at Rogers. Some

of the activities which they attended were the National Honor Society Tapping Con and the Coronation of Rogers Lilac Princess.

These students had the opportunity to learn under a different educational standard, as well as the chance to meet many new friends.

Judy, Tracy, Janine and Ted, all agree that this was one of the most enjoyable and rewarding events of their high school careers.

# A Wonderful Night

On May 18th, at the Spokane Community College Lodge, the class of '68 held the senior prom: "In the Misty Moonlight."

The general chairman was Don Coon. The chairmen under him were: Becky Goldschmitz, band; Kathy Walker, tickets; Lani Wickline, decorations; Rocky Elliott, refreshments; Durita Norman, chaperones; Bev Bouchee, photographer and back drop; Ellen Larson, royalty; Cathy Tester, clean-up and coat check; and Patty Lykins, publicity.

## Junior Prom Depicts Theme: These Cherished Moments

A short chat before the Junior Prom.

With the help of the Pirate Pickle, the Junior class organized a vigorous fund-raising campaign.

Juniors contributed to the ASB treasury by selling pickles at each lunch. Other activities were an all-school volleyball game between faculty members and students. A bake sale netted \$104 profit for the Junior class treasury. Each homeroom was expected to meet a quota of \$10 in order to provide enough funds for the prom. These fun-filled money-raising ideas were a prelude to the big night.

"These Cherished Moments" was the theme of this year's Junior Prom, April 27, 1968.

"We hope we've been successful in making this the best Junior prom John Rogers has ever known, but we hope to be even more successful in the upcoming year," stated Dennis Ashley, Junior Class president.

Seniors always cutting up. This is the way we know them.

One of the highlights of each year is graduation. This is a time of fulfillment, joy and sorrow. It is the fulfillment and joy of having gone through twelve long years of schooling and the sorrow of leaving old experiences.

For some, this is the summit of their formal schooling, but for most a jumping off point to further learning and achievement.

On May 29, 1968, at the Spokane Coliseum, 492 seniors received their diplomas, issuing them into the world of individual responsibility. These seniors have now left the world of adolescence behind. Some will meet the test life has put before them; others may not. However, on this date they graduated as brothers in anticipation of what the future holds for them.

## Dances Reflect Large Participation

An essential part of any dance is the decorations. Right, John?

A dance wouldn't be complete without the beat.

Go, Larson, go!

Students enjoy the Christmas dance.

Students at Rogers look forward to the many dances sponsored by student organizations.

Most dances are sponsored by the ASB dance committee. Chairman of the dances this year was Karen Drovdahl.

Some of the many fine dances sponsored by the ASB committee were: Sadie Hawkins, Harvest Moon, Christmas Dance and the Inaugural Ball.

In the spring, Pirettes Drill Team sponsored the traditional "Roaring Twenties" dance.

Pep Club, Girls' League and Boys' Federation also sponsored dances, which served as a very enjoyable part of the activities during the year.

# 1967 Football Season

Bob Lundstrom

Head Coach Larry Coleman's 1967-68 football team produced four all-city team choices this year. Bob Lundstrom was chosen for the Spokane Chronicle's first team, with Dan Wakeley and John Minetti gaining spots on the second team. Switching somewhat, Minetti made the Spokesman-Review's first team while Lundstrom and Wakeley and outstanding junior, Mike Kondo were placed on the Review's second team.

Injuries, which plagued the larger part of the Pirates, severely hurt an already small team. Even so, the boys who were not expected to do very well in pre-season forecasts, maintained a 2nd place in the league standings throughout most of the year.

A fine backfield composed of juniors replaced the injured seniors: First string fullback Greg Foland, out with a dislocated shoulder, Mark Kondo, first string right end, with a broken leg, and Dan Wakeley, a first string quarterback, sprained ankle.

Mark Kondo highlighted the season when he made his first appearance on field after breaking his leg. In this game against North Central he kicked two extra points with his cast on.

Wrestling is a game that gives every boy regardless of size or ability the opportunity for self-expression on an athletic field of physical combat. From the smallest 103 pound contestant to the giant heavyweight every boy learns a variety of wrestling maneuvers and adopts these techniques and skills that he can perfect according to his own ability.

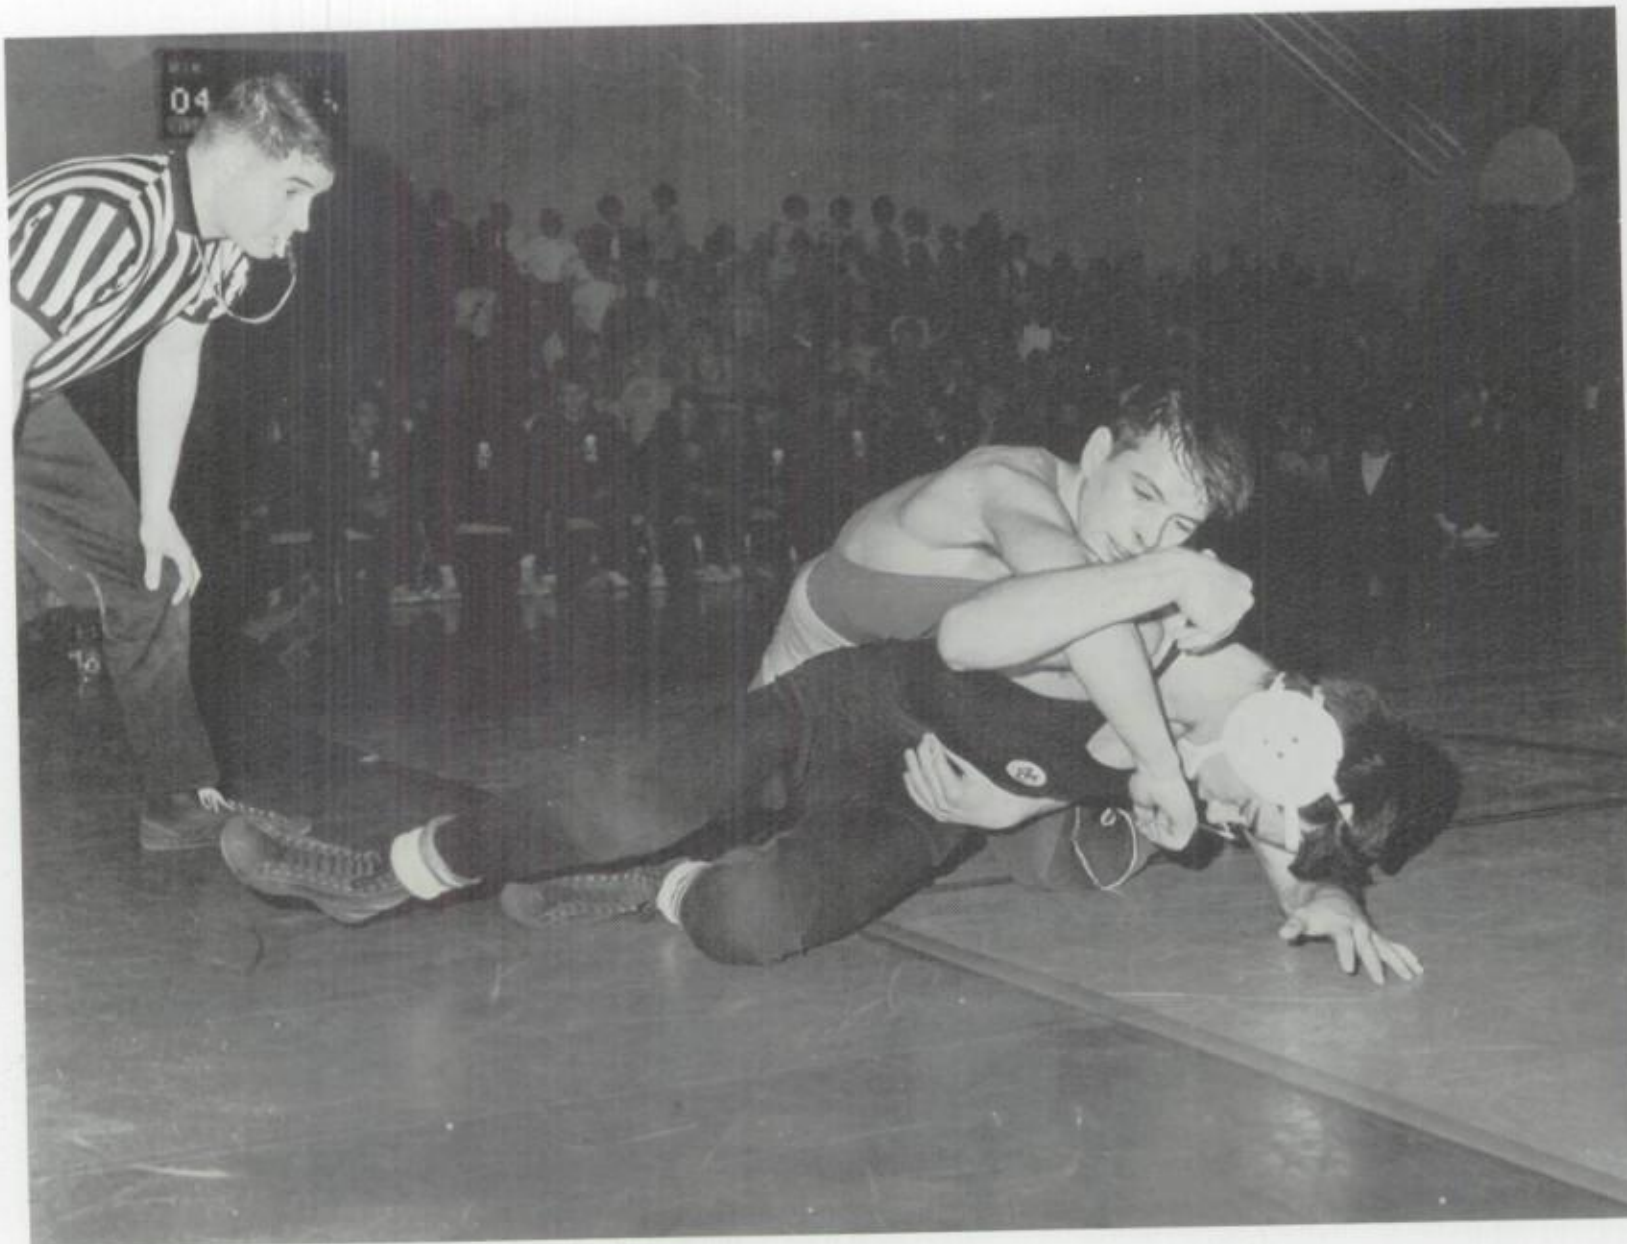

The Pirate Wrestling team of 1968 was entirely deserving of the City-League Championship. Every boy who was a member of the team willingly accepted the discipline and sacrifice asked by his coaches. Every boy extended himself to the limit of his ability from the "fourth stringer" to the tournament team. The championship was inevitable with such dedication. We are a very proud team. We are also very appreciative of the honor of being champions.

Gymnastics is for all who share the belief that physical education achieves its greatest significance and importance when viewed, not only as a means for building muscle, but as an important factor contributing to the development of mental alertness and creative initiative, and in many ways enhancing the confidence and all-around growth of the individual.

Gymnastics rapid rise to favor among students and educators has resulted from the discovery that the gymnastics program offers so much in the way of personal growth.

# In Memoriam

Neil E. McDaniel

The highlights of the 1967-'68 school year were dimmed by the death of Neil E. McDaniel.

As the result of a gymnastic accident, Neil died January 25, 1968.

Affectionately known as "Mort" by his family and close friends, Neil was a well-known student at Rogers. He attended Whitman Elementary and John A. Shaw Jr. High School before coming to Rogers.

Neil was a letterman on the Rogers gymnastic team. He was head photographer for the Rogers Record and Treasure Chest staff. He participated in Sing-Out Spokane, and he was also an enthusiastic member of the Civil Defense Patrol. He actively participated in youth groups in Hillyard Church of God and the Hillyard Christian Church.

The unspoken question: Why? This was on the lips of many Rogers students when they realized Neil would not return to school. Although he attended Rogers only a short while, the memory of Neil McDaniel will live on.

# 1967 City Champions

In a season replete with medals, ribbons and trophies, the Rogers' cross-country teams, Varsity and B-Squad, swept through the opposition with perfect records in local competition.

The season was culminated for the Varsity by a third place finish at the state championship race in Seattle after victories in the Shadle Highlander Invitational, the EWSC Invitational, the University of Idaho Invitational, All-City (and District) Championships, and the Inland Empire AAU Cross-Country Championships, as well as five regular season dual meets.

Awesome in their remarkable consistency in running as a pack behind the individual ability of Bob Isitt and Gary Johnson were: Jim Isitt (the sole junior on the Varsity) and seniors Mark Updike, Ben Inman, Jack Rutter and Alan Olson.

Also noteworthy were the consistently high finishes of juniors Randy Cartwright, Denny Deahl and sophomore Jerry Krogel in B Squad Competition.

## A THOUSAND CONGRATULATIONS

Count them if you like. They come from your thousand friends—the people who make up the Washington Water Power family.

A year, ten years, maybe thirty years ago, each of us passed the milestone you have reached. For us it preceded our entry into the world of private business and public services.

Our careers have, for the most part, been constructive and satisfying.

We sincerely wish as much for the graduates of 1968.

*Ray,  
 You ol' pen stealer.  
 Well its all about over all  
 I'm real glad. Hope you  
 get a good job this summer  
 and have a great future.  
 It's been a great time  
 with you in Coleman's class.  
 See ya.  
 Dan Burger  
 '68'*

I will remember this year and this book with a mixture of feelings. The layouts, the slow process, the tragic loss of an inspiring staff member are not pleasant to recall. However, the book is finished and it has given the members of the staff a wonderful sense of accomplishment knowing that the strengthening ideals of Rogers have been presented to the student body in this yearbook.

Our theme of: "the past equals the future" gives the idea of a students' life at Rogers. The past experiences we have encountered; the red locks, the pep cons, even the rousing orations by Mr. Swisher, our advisor, have their own way of preparing us for our future goals.

John R. Rogers High School has been, is, and always will greatly influence the lives of its students, so that their "pasts" may always lead to their well-deserved "futures."

Most Sincerely,

Helene Hink,  
 Editor in chief

Well Ray  
It's sure been a  
lot of fun over the  
year (even since grade school)  
It's been fun being in some  
classes with you. I think you  
one hell-of-a swell guy keep up the  
good work and have fun in all of the  
year to come. Good luck in the next hundred years.  
Tom W. Hoff.

Ray  
It's been fun  
have all of use in wood  
shop hope you do as good  
and know you have done  
this year in here.  
Good Luck Always  
Mike  
Bentley

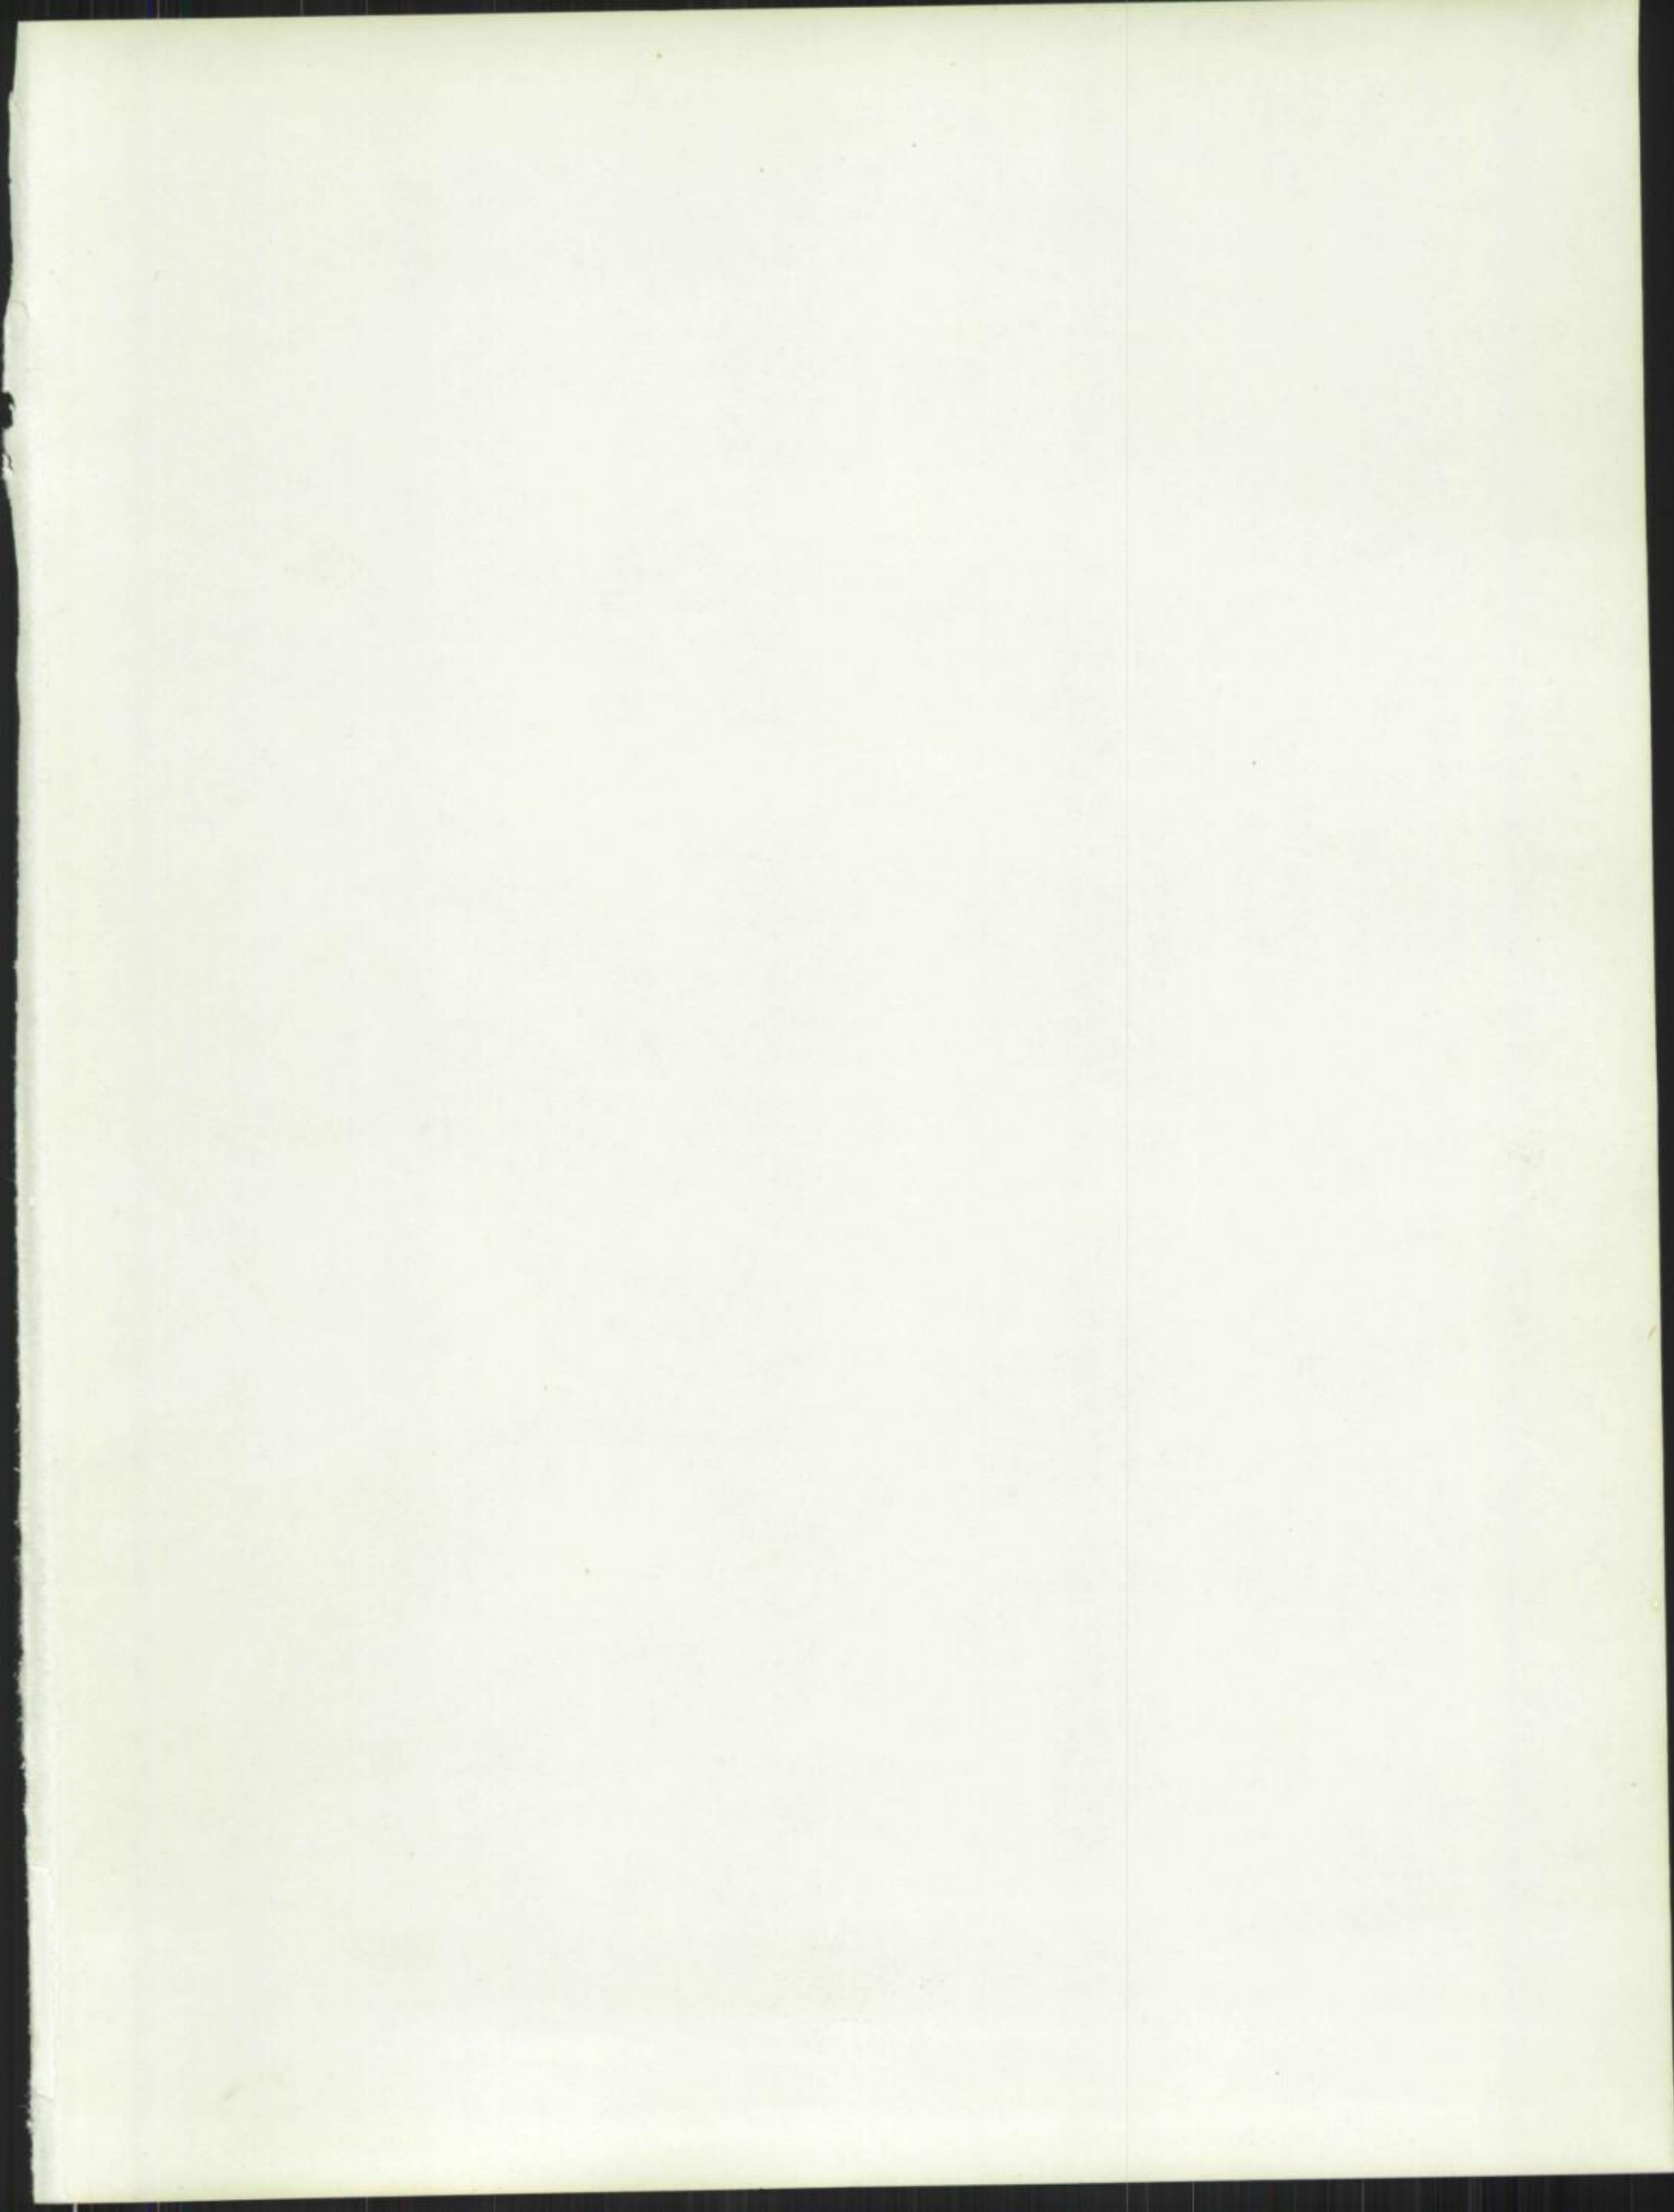

Dearest Ray,  
It's been so wonderful  
knowing you this past  
year. I only hope our  
wonderful friendship will  
continue as we grow older.  
A few warm smiles & friendly  
personality will take you a long  
long ways. All my love always -  
J.G.

Mike!!  
 Sure has been lotsa  
 fun in art. You're  
 really a pretty good  
 under class man.  
 Best wishes & God bless

Helene

Mike,  
You really put an effort on  
the paper this year. I  
enjoyed working with  
you a lot. We've come through  
the paper together and be-  
lieve it! We're seniors. I can hardly be-  
lieve it! Have a great summer and  
come back next year. See you  
next year. Love,  
Jackie C.

Mike,  
You were a lot of  
help to me. This  
semester or since I  
was. Have editor.  
We've had a lot of  
fun in Sunshere  
room. Have fun  
& I'll see you  
next year. Love,  
Bambi Beck '69'

Mike hope you  
have fun and  
let a guy say  
you have a  
good luck  
and your  
Mike

Hey Tiger

aren't you lucky that  
you won't have to cop with  
me anymore in history. But this  
summer you'll make up for it  
I'm sure. Take it easier.

Del Hottel

Mike, Build up the ole  
man! Just so we can wreck  
em during summer. Oh well have fun  
during summer & don't get drunk too much.  
muscles. Good luck!  
Peace,  
Greg

"Carburator"

lots of luck in the future  
and don't make @ with every  
girl you meet, See ya next  
year

Larry  
Pekerson

Mike  
haven't known you  
very long but good luck  
in the future and watch your  
steps.

Have  
Buck

Mike,  
I've enjoyed talking  
to you Journalism. Hope  
you enjoy Shadle next year.  
Be good.

Jan  
Haugen

Mike,  
well Mike I don't  
know you very well  
but you seem like a  
nice guy. Good luck  
in the future. Stay out  
of trouble and be good.  
Friend always  
Pat Betzer

Well Mike,  
You wrote some real  
good stories on the paper  
this year. I bet you  
that is really nice  
to know huh? Well  
I'm glad I met you  
and I hope we'll  
have a few classes  
again next year.  
Well have a good  
time this summer.

Love ya  
IRENE,
